## HAUPTMANN WAS SEEN NEAR HOME OF LINDY. CLAIM

### Prosecutor Secures Signed Statement From Man

By Samuel G. Blackman  
Associated Press Staff Writer  
Trenton, N. J., Jan. 9.—(P)—Anthony M. Hauck, Jr., prosecutor of Hunterdon county, disclosed today he is in possession of the signed statement of a man who said he saw a man and woman, resembling Bruno Richard Hauptmann and his wife, Anna, near the Lindbergh Hopewell estate about 11 months before the kidnapping.

David Moore, the man who gave Hauck the statement, also gave him the names of corroborating witnesses, all of whom are being checked, Hauck said.

Two of these, Moore's son, Johnson, and a friend named Thomas King, Hauck later said, also saw the strange man and woman in a lane near the Lindbergh home. King told the prosecutor he had never seen Hauptmann personally to his knowledge, but that the man in the lane resembled the accused slayer.

Hauck said there were two other persons in the district who told him they had seen a stranger in a car near the estate.

The prosecutor said Moore, who told his story to the police in September, 1934 after Hauptmann's arrest, went to Flemington last winter during Hauptmann's trial for the kidnapping of the baby, saw Mrs. Hauptmann and was certain she was the woman he saw in the Sourlands several times in April, 1931.

Mrs. Hauptmann arrived in Trenton late today and went to a hotel. She would not comment on the statement of Moore, but a friend quoted her as saying it was "ridiculous" and that she had denied ever having been in Hopewell.

C. Lloyd Fisher, one of Hauptmann's attorneys, said the statement was "baloney," and said he understood Moore went to Flemington while Hauptmann was in jail there and could not identify the carpenter as the man he had seen.

## Furniture Show Attendance 5,000

Chicago, Jan. 9.—(P)—Attendance at the 24th semi-annual Furniture Exposition passed the 5,000 mark today as compared with 3,300 for the same day last year.

Lawrence H. Whiting, president of the Furniture Mart, predicted that by Saturday, Jan. 18, when the show ends, a mark of 10,000 will have been made, instead of the 7,500 anticipated.

Among the buyers registered at the show today were J. Shinto, head of a furniture company in Tokyo, Japan; Benjamin and Hugo Salinas, of Monterrey, Mexico; and J. L. Mesta of Mexico City.

The National House Furnishing Manufacturers Association display, termed the "billion dollar show," is being held in connection with the Furniture Exposition for the first time.

Milton C. Levy, president of the Lamp and Shade Manufacturers Association, estimated that the American portable lamp business will do 25 per cent greater business this year than in 1935. He predicted that \$35,000,000 worth of such units would be sold in 1936.

Miss Fay Schumann of Browning, Illinois was a shopper in Jacksonville yesterday.

## Weather

## Cuban Soldiers To Preserve Order At Republic's Election

### First Constitutional Head In Two, One-Half Years To Be Elected

Havana, Jan. 9.—(P)—Two thousand soldiers, scattered throughout Cuba, were ready tonight to preserve order in the election tomorrow of the Republic's first constitutional president in 2½ years.

Miguel Mariano Gomez, twice mayor of Havana, was expected by informed observers to defeat Gen. Mario G. Menocal, twice president of Cuba. A third candidate, Carlos Manuel De Cespedes, former provisional president, made no campaign and it was thought he would not poll many votes.

Since former President Gerardo Machado fled from the island in August, 1933, Cuba has had only provisional presidents.

The possibility that the election might be postponed was eliminated when the supreme court refused today to interfere, as was requested by a petition from "25 or more citizens."

The petition questioned the constitutionality of the electoral law and of the formula for political peace drawn up by Dr. Harold W. Dodds, president of Princeton University.

The court decided it would consider the constitutionality of the two laws at some date after the elections.

The Dodds formula gave presidential electors the right to renounce presidential and vice-presidential candidates nominated by their parties, and to select candidates themselves. It was accepted by groups which lacked sufficient representation among the electors to make sure the nomination of their candidates.

## Republicans Urge Wayland Brooks To Be Candidate

### Local Member Of Young Republican Organization On State Committee

Chicago, Jan. 9.—(P)—A committee of members of the Young Republican Organization of Illinois called upon C. Wayland Brooks today to urge the young Chicago attorney to enter the race for governor.

Brooks, Republican nominee for Congress in 1934, has been expected to announce his candidacy for his party's nomination. He said today he would reply to the Young Republicans' request in a few days.

The six members of the committee bore petitions signed by 5,000 men and women in 120 downstate communities, pledging "unflinching support" for Brooks if the attorney enters the many-sided primary fight.

On the committee was R. N. Ingleson of Moline, president of the Young Republicans' Organization, who said he would resign in a few days to boost Brooks' candidacy. Others were Truesdale Smith, Rockford; Lambert Ochenschlager of Aurora; Edward Alexander, Jacksonville; Sam E. Dean, Hinsdale, and Park Livingston, Urbana.

The committee's visit coincided with reports that a majority of the Chicago ward committeemen favored him, and that he would be put forward by the Chicago Republicans unless downstate and Chicago leaders, in a conference within the next few days, can agree upon a "harmony candidate" to reduce the fast growing field of Republican hopefuls.

## ROAD CONDITIONS IN STATE ARE BAD, CLAIM

Springfield, Ill., Jan. 9.—(P)—Icy pavement made several highways hazardous for motorists today, the division of highways reported.

A road condition report said there was "slippery" on almost all roads north of Bloomington and Peoria and that from there to Springfield and Decatur ice covers about 20 percent of the mileage.

Route 66 to Bloomington was reported in good condition, however. And there was almost no ice south of Springfield and Decatur. Snow and rain froze on the roads north of Joliet and Peoria.

## STATE ALLOTMENTS

Washington, Jan. 9.—(P)—Here is the amount each state, up to Dec. 31, had obtained from the \$4,000,000,000 Work Relief Appropriation.

Contained in President Roosevelt's report to Congress today, the allotments include direct relief grants but omit projects termed "national" which are not charged to any state's quota. The allotments include: Illinois, \$222,211,900; Indiana, \$83,302,791; Iowa, \$41,215,940; Missouri, \$81,526,100; and Wisconsin, \$109,281,642.

## IN CIRCUIT COURT

Thomas R. Cain, executor, is complainant in a foreclosure suit filed in circuit court here yesterday against Frons Vander. An original indebtedness amounting to \$800 is alleged and property described as part of the southwest quarter of the northwest quarter of 29-15-10 is involved.

Wilson & Lander are the complainant's attorneys.

## REAL ESTATE TRANSFER

W. B. Calhoun to Byron Calhoun, \$22,211,900; the northwest quarter of the southwest quarter, etc., of 31-14-8, St.

## 4 YOUTHS ARE ELECTROCUTED AT SING SING

### Go To Chair Praying But Apparently Without Fear

Ossining, N. Y., Jan. 9.—(P)—Four youths calmly went to their death tonight in the electric chair at Sing Sing prison for the slayings of a New York policeman in a luggage store holdup.

They went to the chair praying, but apparently without fear. They made no remarks.

Newman Raymond, Jr., 21, entered the death chamber at 11 P. M. and was pronounced dead at 11:03. He was followed in quick order by Ameyko, 20, Thomas Gilbreth, 20, and Ray Orley, 21. Orley was dead at 11:13.

It was the first time in fifteen years that four men had been executed here in one night.

Raymond walked to the chair accompanied by the Rev. Anthony N. Peterson, Protestant Chaplain, who prayed with him after he had been strapped in the chair.

Angelini also walked directly to the chair. He said nothing but prayed silently and kissed a Crucifix after the hood had been placed over his head.

Gilbreth, the third to go, entered the death chamber smoking a cigarette. There was a smile on his face as he threw away the cigarette just before sitting down.

Orley walked silently to the chair sat down and placed his arms in position for the straps. He too kissed the Crucifix after the hood had been put on.

The last three were accompanied by the Rev. Father John McCaffrey, Catholic Chaplain at the prison, who prayed with each of them.

They were convicted of killing Patrolman James Killian in January, 1935.

Hoping for clemency from Governor Lehman until the last, they had spent the day quietly, talking to prison guards and receiving visits from members of their families.

They ate their special dinners cheerfully.

## Mother Answers To Charges Of Heiress; Block Infatuations

### Declares Daughter Easily Fascinated By Men In Uniform

Hackensack, N. J., Jan. 9.—(P)—Ann Cooper Hewitt, the 21 year old heiress, who is suing her mother for \$500,000 damages in California on the grounds she had her unlawfully sterilized, was portrayed in an affidavit on file here today as a girl easily infatuated by men in uniform.

The affidavit, signed by the mother, Mrs. Maryon Hewitt McCarter, and filed in chancery court in defending a suit brought by Miss Hewitt for an accounting of her father's estate, said the young woman fell in love with a chauffeur at Riverwood, Calif., four years ago.

"He persuaded her to prepare to run away with him and that encouraged Ann to write letters to him," the affidavit said.

The letters, Mrs. Hewitt said, contained locks of Ann's hair, and "a great many references to things which should not be written about." They were indeed, of a character which justified their immediate destruction," Mrs. Hewitt said.

"I paid thousands of dollars in currency to secure these letters to break up the infatuation," the affidavit continued.

"From time to time since that date, I have had to use a special means for blocking what seemed to be infatuations on the part of Ann. Mostly these occurred with men in uniform regardless of their station."

These statements, Mrs. McCarter said, were set down "with hesitancy and regret."

Another affidavit, signed by Dr. I. L. Hill of New York City and the John E. Berwind medical clinic, Cornell University, said Ann was prematurely born and "has been characterized by a definite underdevelopment" physically and mentally.

## Egyptian Units Bombed, Report

Cairo, Egypt, Jan. 9.—(P)—An Italian bombing and machine gun attack on an Egyptian ambulance unit Tuesday at Bolali on the Southern Ethiopian front was reported tonight by Prince Ismail Daoud, head of the Egyptian Red Cross organization in Ethiopia.

"Providentially, there were no casualties," said a radio message from the prince, who is a brother in law of King Fuad of Egypt. Eleven persons were reported to be in the unit.

Eight Italian planes, the message said, participated in the attack, "not being satisfied with what they did to an Egyptian ambulance at Daggah Bur."

(The Daggah Bur bombardment was reported Jan. 6.)

## Horner Objects To Legislatures Old Age Pension Laws

### Claims Administration Of Measure Will Prevent Use Of U. S. Funds

By Willis L. Young  
Associated Press Staff Writer  
Springfield, Ill., Jan. 9.—(P)—Governor Horner tonight opposed the legislature's disposition to plan old age pensions without federal aid on the charge that the national social security program will be held unconstitutional.

He expressed hope the Senate would withdraw its "home rule" amendment to the pension administration bill and pass a measure "which would bring Illinois federal assistance if and when the government makes it available."

The Senate's provision for appointment of county pension administrators by county court judges instead of by the state will prove a stumbling block, he said, to obtaining federal approval.

The governor still held out against appropriating \$10,000,000 at the second special session called to meet an impending relief crisis—but showed a willingness to approve the plan as a last resort.

Mr. Horner reiterated his view that cities and counties must bear "their share" of the relief burden, but indicated he was not in favor of either of two plans now before the assembly to return the load, in part at least, to subdivisions.

## H. L. Hopkins Takes Issue With Horner On Relief Payment

### Administrator Says State Has Paid But Little To WPA Employees

Washington, Jan. 9.—(P)—Harry L. Hopkins, federal relief administrator, took issue today with Governor Henry Horner who was quoted as saying the Illinois Emergency Relief Commission had supplemented wages paid persons on Works Progress jobs.

He said the governor's assertion that the state was having to help WPA employees "doesn't hold water" and added that "you could hold in your hat" all the money Illinois actually had contributed to WPA employees.

Governor Horner has called a special session of the General Assembly to raise funds for the direct relief of those not given WPA jobs. The state already is furnishing approximately \$2,000,000 a month for that purpose but has found that amount insufficient.

The governor asked President Roosevelt to provide \$2,000,000 in federal funds for four months of the increase the state's WPA quota sufficiently to take care of the situation. Funds were refused, but the WPA quota was increased 25,000 which was said, however, to be insufficient.

The governor said the state had to aid many already on WPA jobs, pending receipt of their first checks. Hopkins denied any substantial sums had been contributed and said the governor's action in calling a special session to raise more funds was an example of the capacity of local governments to increase their relief expenditures.

## Roosevelt Calls In Advisers on Problem

### Hold Conference Today On Substitute AAA

Washington, Jan. 9.—(P)—In a new move to meet the farm problem created by AAA's death, President Roosevelt summoned financial, legal and agricultural advisers today to a joint conference.

On the list for an afternoon White House session were Secretary Wallace, Secretary Morgenthau, Attorney General Cummings, Chester Davis, administrator of the dead AAA, Daniel Bell, acting director of the budget, and Herman Oliphant, treasury counsel.

There was no inkling at the White House of what action the president contemplates. There seemed some doubt whether a legislative formula will be drafted before the meeting here tomorrow of farm leaders called to discuss the situation.

Both Wallace and Davis were reported to favor continuance of cash payments to farmers in some form.

Rumors abroad that further dollar devaluation might be included in the new agriculture program brought no comment at the White House. But on this same subject, Morgenthau told newsmen:

"I would not worry too much about rumors right now, especially if they originate outside the United States."

## FOUR CHICKENS STOLEN

A thief visited the poultry house Wednesday night at the home of Thomas DePrates, 320 West Walnut street, making away with one Rhode Island Red rooster and three white hens.

Woodson business visitors here yesterday included Rex Ramon.

## THREE PERSONS DIE IN INDIANA BLAST AND FIRE

### Pendleton Townhall Is Destroyed During Board Meeting

Pendleton, Ind., Jan. 9.—(P)—Three bodies, burned almost beyond recognition, were taken from the still-burning town hall of Pendleton tonight following a blast and fire which blew the top off the building during a meeting of the town board. Philadelphia officials expressed the opinion an undetermined number of transients, who are allowed the shelter of the basement on cold nights, may have been trapped and killed.

One of the dead was said to be a bus driver from the Indiana reformatory near Pendleton.

The force of the blast was described by J. E. Popplewell of Pendleton, who was walking along a sidewalk opposite the building.

"I felt a burst like a big Bertha," he said. "It almost knocked me off my feet. I threw my hands across my eyes, then looked back and saw the fire department building begin to go up in flames."

"I went back and helped pull out one man, then went back and helped get out four more. I couldn't tell who they were right away because everything got confused then."

Homer Thomas, who was in the building at the time of the blast, said "it seemed like everything was dropping."

"There were about ten of us there," he said. "I fell about four feet but I was right by a door and I was able to claw my way out. I wasn't hurt enough so I can complain."

He said he had no idea how many besides himself escaped.

## Survey Shows Most Confidence In News Paper Advertising

### 5,000 Persons Interviewed In Study From Coast To Coast

New York, Jan. 9.—(P)—A high degree of confidence that newspaper advertising is reliable, found in a wide cross-section of the American public, was reported today by Charles C. Stech in an advertising research study.

More than 5,000 persons from coast to coast were asked 15 questions about newspaper advertising by a corps of young women. The questions were put to oil field workers, professors, radio announcers, physicians, housewives, lawyers, bartenders, beauty shop operators and many other categories.

The survey covered 21 states and 122 occupations. Five hundred answers came from California, Kansas, Michigan, Illinois, Pennsylvania, Oklahoma, Massachusetts, Ohio and Wisconsin furnished more than 100 answers each.

"To the question," Stech reports, "which do you usually consider more reliable, statements given out by men elected to public office or advertisements in your daily newspapers?" 45 per cent favor newspaper advertisements.

"Answering the question, 'which do you usually consider more reliable, claims and statements made by salesmen or advertisements in your daily newspaper?' 83 per cent declared for newspaper advertising. Even the majority of salesmen questioned agreed that newspaper advertising was apt to be more reliable and dependable than the average salesman. "Eighty per cent of those questioned asserted that in their opinion advertisements made daily newspapers more interesting."

"Eighty-four per cent said they get helpful ideas from newspaper advertising."

## Nab Man Accused Of Rushville Crime

Rushville, Ill., Jan. 9.—(P)—Arrest of the accused ringleader in the abduction and attempted robbery of Mr. and Mrs. Harold Henderson of Rushville last August 17 was announced today by Sheriff Fred Read of Schuyler county.

The prisoner is George Steele, arrested today in Catonsville, Md., near Baltimore, at request of Sheriff Read. Read and State's Attorney E. G. Utter will go to Springfield tomorrow to obtain a governor's requisition for Steele's return to face trial here. They will then leave for Baltimore.

Three other participants in the abduction, Art Lindsay, Ralph Owen and Gail Ford, all of Macomb, Ill., were sentenced here last September to one to ten-year terms in Joliet prison. They asserted Steele, an ex-convict former of Schuyler county, plotted the crime to obtain receipts of a pool room Henderson was managing in the absence of its owner.

After picking the Hendersons out on the street here, the quartet drove them five miles into the country, and forced them out of the gang's car when Henderson proved not to be carrying a large sum of money.

## National Convention of Democratic Party Will be Held in Philadelphia, Pa.

### By Melbourne Christerson Associated Press Staff Writer

Washington, Jan. 9.—(P)—After a spirited and almost unprecedented "poker game" with table stakes so high as to all but wipe out the party's deficit, the Democratic national committee late today picked Philadelphia for its 1936 national convention.

The Pennsylvania City never before the scene of a Democratic convention, won out over San Francisco and Chicago when its representatives finally waved a certified check for \$200,000. Then, to meet higher bids, Philadelphia concessions estimated to raise the total to between \$250,000 and \$300,000 were offered.

Party Chairman James A. Farley announced the national convocation, intended to renominate President Roosevelt, would start June 23. The Republican party will meet in Cleveland beginning June 9.

Before the bidding started, Farley, in opening the national committee's meeting, predicted a "campaign of deflation" financed by the "largest slash fund on record."

"Just remember as we go into the campaign," he told the delegates, "that Franklin D. Roosevelt is the hope of every man who suffers and the foe of every man who does wrong."

In presenting their case, Philadelphia's spokesmen stressed the fact that Independence Hall and the Liberty Bell are there.

High party officials said they expected President Roosevelt would go to Philadelphia to accept renomination.

## SEEK MYSTERY WOMAN IN PEACOCK MURDER

Chicago, Jan. 9.—(P)—A mystery woman was sought as the key to the week-old murder of Dr. Silber C. Peacock tonight.

It was this woman who made an unsuccessful attempt to reach the child specialist by telephone three hours before he was shot and beaten to death last Thursday night. The physician was absent from his fashionable apartment hotel when the call was made.

"If we can learn her identity," said Captain Martin McCormick, "we will get somewhere. The fact that she has not come forward to explain her call indicates she had some connection with the murder."

The Captain assigned four detectives to that phase of the case while officials made plans to question nurses and attendants of the Children's Memorial Hospital, where the doctor practiced, and patients who lived in the western section of Rogers Park where he was slain.

The fact that Dr. Peacock had not asked the nature of the illness of the child mentioned by the mystery man who lured him out on a fake sick call at 19:30 p. m. last Thursday was considered pertinent by Captain John Prendergast.

"This emphasizes that the telephone call was prearranged by Dr. Peacock himself," Captain Prendergast asserted.

## Dramatic Club Of H. S. To Enter Meet Will Compete For One Act Play Award In District Next March

The J. H. S. Dramatic Club decided at a meeting yesterday afternoon to enter in the district one act play contest to be held sometime in March. This contest is held in conjunction with the district debate tournament which the local school has attended for the past several years. This tournament includes debate, all divisions of individual speech work, and drama. Whereas before Jacksonville has only been represented in the debating part of it, there is the possibility that the high school will have students in both the dramatic and speech divisions this year.

These district tournaments progress for the actors and speakers as they go for the debaters in that the winners of the highest places are awarded the right to enter a state meet later on.

A committee was appointed yesterday by the club president, Isabel Stoops, to consider plays for the contest. Miss Frances Brown is director of the club and will take charge of preparing for the tournament.

The decision was also made at the meeting to present "The Leap Year Bride," a one act play, at an early date in the high school assembly.

## CORONER SAMPLE TO SEEK REFLECTION

Coroner E. O. Sample will be a candidate for nomination and reelection at the ensuing election. Petitions to place Mr. Sample's name on the April primary ballots were being circulated yesterday. Coroner Sample is completing his first term in office.

## HOG PRICES FALL

East St. Louis, Jan. 9.—(P)—Hog prices continued to fall today at the National Stockyards, dropping 15 to 25 cents. Top price was \$9.90 a hundred pounds. After the Supreme Court's AAA invalidation, prices rose sharply to \$10.30, but a decline set in yesterday.

## Conservation, Allotment of Crops Talked

By Jerry Greene  
Copyright, 1936.  
By The Associated Press  
Washington, Jan. 9.—(P)—A composite administration farm-aid program utilizing domestic allotments as a stopgap and soil conservation for permanent crop control took shape tonight amid growing dispute over the form of AAA's successor.

Conferences of administration leaders, it was reported authoritatively, have centered on such a plan, with a final decision deferred pending tomorrow's conference of 70 farm leaders summoned to the capital by Secretary Wallace.

The word given reporters after a long White House conference was that no proposal had been discarded, and none agreed upon. Two Senate Republicans introduced concrete legislation, while a Senate Democrat urged currency expansion to support farm prices.

Other developments in the confusion which still surrounded problems created by Monday's supreme court decision included:

1. An open letter from George N. Peek, former AAA administrator, attacking reciprocal trade agreements and agricultural production control.

2. A farm organization spokesman's private assertion that two powerful farm groups would oppose any plan for a constitutional amendment.

3. One Senate resolution proposing an amendment permitting federal regulation of agriculture; another to permit quicker amendment.

4. A "three-way" farm bill introduced by Senator McNary of Oregon, Republican leader, calling for export debenture, domestic allotment and equalization fee plans.

5. A bill by Senator Carey (R-Wyo.) to provide for federal purchase or lease of 50,000,000 acres retiring them from production.

6. A secret meeting here of directors of the American Farm Bureau Federation, with no conclusions reached.

## A Need Emphasized

The breakdown of the 35-year-old  
boiler in the Lafayette school, which  
caused suspension of classes for a day,  
emphasizes the need for a new build-  
ing in the second ward. The delay in  
the proposed building program nec-  
essitated by a \$17,000 jump in con-  
tractors' bids over estimates is to be  
regretted, and each day the beginning  
of this program is postponed the lives  
of children are jeopardized in the two  
antiquated structures the new build-  
ings would replace.

Nothing has thus far been heard as  
to whether the government would in-  
crease the allotment to Jacksonville  
to meet the increased building costs.  
Such an increase has been granted to  
Springfield, which may mean that the  
government is trying to meet this  
situation and will give this city a  
similar added grant.

If the grant is not raised, it might  
be well to try and secure the addi-  
tional funds locally. The need is so  
great, and the opportunity to secure  
the buildings so rare, that some effort  
to raise the money might be wise at  
this time.

It is unfortunate that such a sit-  
uation should have arisen. The stim-  
ulation of building with government  
funds has tempted and courted a rise  
in prices, which is working a hardship  
on communities where added taxes  
are impossible. Jacksonville citizens  
were hopeful the PWA would enable  
them to secure two badly needed  
school buildings without added tax-  
ation. The incident at the Lafayette  
school shows just how urgent is the  
need. WPA could find no place to  
put government funds where they  
would be more useful or appreciated.

## A History Maker

Several Jacksonville citizens with a  
little time on their hands were re-  
cently arguing as to whether they are  
individuals who have been instrumental  
in making any history. The very day  
of the argument the press published the  
account of the historic work of Dr. W.  
O. Milligan, graduate of Illinois col-  
lege, who learned in the laboratories  
on the Hill how to make history by  
making chemical combinations.

Dr. Milligan, who is on the staff of  
Rice Institute in Texas, is a research  
worker, and has helped to perfect a  
machine for revealing the atomic  
content of substances by photographs.  
He has aided in a type of work the  
results of which are not yet evident.  
Many years hence the work he has  
helped to do may have its effect in new  
things that will make human life  
more comfortable and enjoyable.

Those who make history are not  
usually cognizant of it at the time. It  
is only in later years that the historic  
importance of their acts becomes evi-  
dent. Many a former Jacksonville  
citizen has made history, and this city  
is often mentioned as a place of first  
things.

## SO THEY SAY

People in the world blame and  
condemn Japan because she is inclined  
to militarism. But who taught mili-  
tarism to Japan? It was a western  
nation.

—Dr. Toyohiko Kagawa, famed Japanese  
Christian.

It is only the money-changer and  
his industrialist servants who are  
crying out against effective, beneficial  
regulation of business by a central and  
authoritative government.

—Rev. Charles E. Coughlin, Detroit.

It is not the economist's job to re-  
elect or defeat President Roosevelt.  
Neither is it his job to defend outworn  
practices which operate to the harm  
of the general welfare.

—Henry A. Wallace, secretary of agri-  
culture.

New Year's resolutions? I am going  
to try to resolve to have more time to  
think.

—Mrs. Franklin D. Roosevelt.

There wouldn't be anybody in the  
world who would have anything but  
the man over 60. Well, I guess I'd  
be O. K. at that.

—Alfred E. Smith, commenting on  
Townsend plan.

## BARBS

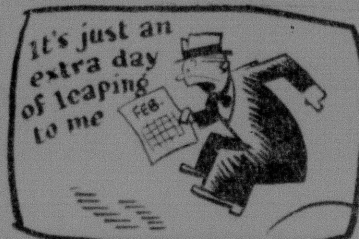

A man in North Carolina was sus-  
pected of a kidnapping when he became  
nervous while being shaved. Still,  
maybe Tony began discussing the 51  
sanctioners.

The eastern "victim" of a fake kid-  
naping who tied and bound himself  
might have offered the alibi that this  
was all the farther he'd gotten in  
Houdini.

We doubt if the public would care  
for a revival of the Louis-Baer affair  
even if the latter's comeback featured  
"The New Baer."

Cry of "professional" was stilled at  
the Wisconsin liars' contest when it  
was shown the contestants included  
no politicians or golfers.

While 1936 may be a break for the  
girls, it's just another leap year for  
pedestrians.

Bill For Referendum Before  
U. S. Goes to War Gaining  
Support

BY RODNEY DUTCHER  
Journal and Courier Washington  
Correspondent

Washington.—One of those far-  
reaching measures which sometimes  
suddenly develop a fast pair of legs is  
the proposal for a national referen-  
dum prior to American entry into any  
war.

The idea is embodied in a bill now  
before the House Judiciary Committee,  
offered by Congressman Louis Ludlow  
of Indiana, who says 55 or 60 members  
of Congress already are pledged to it.  
It may appear too radical to get far.  
Nevertheless, two years ago it was  
generally supposed that the munitions  
industries were powerful enough to  
block any investigation of themselves.

No one foresaw the current wave of  
neutrality sentiment or the concrete  
legislation stemming from it—or the  
strong peace sentiment in England  
which has so startled British politi-  
cians.

The railroad brotherhoods, certain  
other unions, and some women's or-  
ganizations are formally behind Lud-  
low. Col. Arthur W. Little, who is at  
least important enough to have landed  
on the Bob Lucas list of Republican  
presidential possibilities, is here urging  
a type of war referendum which would  
automatically enlist affirmative voters  
for the armed forces.

The Little statement was released  
from the Veterans of Foreign Wars  
publicity office. Inquiry reveals that  
the V.F.W. had no connection with it,  
informal or otherwise, but indicates  
that its leaders would favor the gen-  
eral idea.

## Drys Show New Life

Improvement in business is being  
experienced by the prohibitionists and  
the once familiar "Clipsheet" of the  
Methodist Board of Temperance, Pro-  
hibition, and Public Morals suddenly is  
again being published.

Once one of the most celebrated  
vehicles of dry propaganda, the "Clip-  
sheet" disappeared after repeal, be-  
cause people stopped contributing.  
Now the money has begun to trickle  
in again, however, and the board has  
decided it can afford to resume publi-  
cation—but on a monthly basis, in-  
stead of weekly as of yore.

The first new number indicates  
that dry strategy now is to battle  
for temperance, rather than aboli-  
tion of liquor, which even many drys  
view as hopeless, for the time being.  
The "Clipsheet" presents a long re-  
view of drinking at football games,  
graphically and satirically describing  
the practice, surveying conditions at  
various universities, and recommend-  
ing steps toward remedy.

Pothead game drinking has proved  
conclusively, one learns, "that a  
drunken woman can make a bigger  
fool of herself than any drunken  
man."

Also, spectators do more of the  
drinking than students and the prob-  
lem is more serious in the east than  
elsewhere.

It is also reported that liquor con-  
sumption is increasing rapidly—and  
urged that consumption be reduced.

## Chapman's After Votes

Secretary Ickes, announcing that he  
had granted Assistant Secretary of the  
Interior Oscar L. Chapman an indefi-  
nite leave of absence without pay, ex-  
plained that Chapman wanted to  
"carry out plans he has had for some  
time which require his presence in  
Colorado."

The "plans" are a vigorous orga-  
nization campaign for the renominat-  
ion and re-election of Senator  
Edward P. Costigan, with whom  
Chapman has been associated for  
years as a law partner and cam-  
paign manager.

Chapman will also be doing some  
political work for the Democratic

party in other western states.

## An Ingenious Theory

One physician in Washington is  
sure he knows why Supreme Court  
Justice McReynolds has been unpre-  
cedentedly curt in his questioning of  
government lawyers at this term.

This physician, like McReynolds  
and many others who had been  
quartered in the old Rochambeau  
apartments for years, was sore when  
the government, taking over the  
building in its ceaseless quest for  
office space, ordered everyone out  
on thirty days' notice.

He predicted at the time that  
McReynolds would be especially  
tough this winter.

Furthermore, the doctor confides  
that the dentist of Chief Justice  
Hughes was also one of the Rocham-  
beau victims and he knows Hughes  
was given an earful about the outra-  
geous eviction and is surprised that  
Hughes hasn't also been sterner to-  
ward New Deal attorneys lately.

Business Census  
Enumerators Will  
Begin Work Soon

Henry Frisch in Charge of  
Census in Ten Counties;  
Purpose Explained

Henry Frisch, who has been named  
district supervisor of the Census of  
Business, yesterday announced that  
enumeration work will start in Morgan  
county very shortly. He said thirty  
enumerators will be named within the  
next few days to make the canvass in  
this district, which includes ten coun-  
ties.

Offices of the census are to be estab-  
lished in the post office building and  
a staff of four persons will be em-  
ployed to handle the work. All census  
employees are bound by a strict census  
oath not to reveal any information  
contained on business reports and the  
law makes any violation a criminal  
offense.

The supervisor stated that every re-  
tail and wholesale business, all hotels,  
places of amusement, business service  
companies, insurance agencies, real  
estate offices, and trucking and bus  
companies; all banks, office building  
managers and contractors will be can-  
vassed for reports on their operations  
during the calendar year 1935. The  
results are to be tabulated in Philadel-  
phia, headquarters of the Business  
Census, and become the basic statis-  
tics which businesses use in planning  
their operating policies.

All enumerators will be instructed  
thoroughly on all phases of the census  
prior to the beginning of the canvass.

All Fields Included  
Supervisor Frisch explained this  
census has been extended considerably  
beyond the limitations of the Census  
of Distribution for 1929, and the Cen-  
sus of American Business for 1933, as  
a result of business requests that all  
fields of business be included.

"It is designed," he said, "to supply  
a definite answer to the question of  
how many concerns there are in busi-  
ness, the total volume of annual busi-  
ness, and the total payrolls and em-  
ployment. More than 100 representa-  
tives, delegated by various business  
associations in each field to be cov-  
ered, met with census officials and  
formulated the questions to be asked."

Retail trade will be divided into two  
size classifications: Stores with total  
sales of \$50,000 and over, and those  
with sales of less than \$50,000. Com-  
modity data will be sought from the  
larger group and from all wholesale  
establishments including exporters,  
importers, and limited function whole-  
salers.

For the first time the census in-  
cludes banking and finance for the  
entire range of commercial, agricul-  
tural and mortgage and personal  
credit finance as well as security brok-  
ers and dealers.

Construction, including building,  
highway and heavy construction by  
contractors is included again, as in  
1929. General contractors, operative  
builders and sub-contractors are to be  
covered.

Highway and street transportation,  
including trucking for hire and bus  
operations are included in the census  
for the first time. Commercial ware-  
housing is included in the comprehen-  
sive plans announced yesterday.

A census of the business of operat-  
ing office, commercial and other non-  
residential buildings will be made in  
cities of more than 10,000. For the  
first time the operations of insurance  
companies, agents and brokers, real  
estate brokers and dealers, manage-  
ment and rental agents as well as the  
business aspects of non-profit associa-  
tions and organizations of every type  
(exclusive of religious bodies) are in-  
cluded in the census.

## Service Establishments

The census of service establish-  
ments, which in 1933 included only  
personal, business and mechanical re-  
pair services, is extended in the plans  
to include certain classes of profession-  
ally-trained persons. These include  
advertising counsellors, architects,  
auditors, certified public accountants,  
engineering services, private detective  
agencies, market research services,  
map drawing and cartography serv-  
ices, and sales consultants. Theaters  
and hotels are to be covered as in 1929  
and 1933, he said.

Mr. Frisch declared the present cen-  
sus is in answer to the request of busi-  
ness for dependable 1935 information  
for sounder planning of expansion  
programs, and is a continuation of the  
similar business censuses of 1929 and  
1933.

## "RETIRE AT BIRTH PLAN"

People's Editor:  
Townsendism enthusiasts who are  
dreaming of the day when Uncle  
Sam, the man with the bottomless  
purse, will pay them a pension of  
\$2,400 a year, had better stop and  
ponder a while over the "Retire at  
Birth Plan" which is much more sane  
and practical.

The plan proposes as follows: To  
give every new born child a \$20,000  
note payable by the United States in  
twenty years. The note would bear  
3 per cent interest (\$50 monthly)  
payable to the child's parents. This  
\$600 a year plus \$1,000 a year for a  
sinking fund, would cost the govern-  
ment only \$1,600 a year per pensioner  
compared to \$2,400 under the Town-  
send plan. If a boy and girl married  
at twenty they would have \$40,000  
capital to live on, so that they would  
never have to work. And as they in-

States birth rate and cut the cost of  
the Townsend plan practically in  
half.

## ANNIE OAKLEY

One of the most paradoxical char-  
acters in all American history, the  
first woman to invade a field heretofore  
strictly man's, lives again in  
"Annie Oakley," with Barbara  
Stanwyck starred in the title role.  
History finds no parallel to An-  
nie Oakley, a country girl from  
Darke county, Ohio, who fifty  
years ago, became the most deadly  
rifle shot alive, attaining interna-  
tional fame with the Buffalo Bill  
Wild West Show.

At the age of nine Annie Oakley  
was supporting her family by  
shooting quail for the dining tables  
of a Cincinnati hotel. In five years  
she paid off the mortgage on the  
family farm. She joined the Buffa-  
lo Bill Show, out-shot the famous  
Col. Cody himself and became the  
foist of America, England and Eu-  
rope. Beautiful, kindly, generous,  
wholly feminine, Annie was be-  
loved by all. Splitting a playing card  
and peppering a card scaled into  
the air with 13 rifle bullets before  
it fell to the ground, were among  
her many astonishing feats.

Romance entered the life of An-  
nie Oakley. She fell in love with  
the marksman she first defeated.  
Their love story is an inspiring  
page in American history, describ-  
ed in all its wholesomeness and au-  
thenticity and colored by the  
glamour of the famous Buffalo  
Bill show, which backgrounds the  
story.

"Annie Oakley," RKO Radio  
Picture, casts Preston Foster, Mel-

## WESTERN COURAGE

Ken Maynard's latest picture,  
"WESTERN COURAGE," opens  
today at the FOX MAJESTIC. It  
is a thrilling story of Ken's taming  
of a high-spirited, wealthy girl,  
who is a guest at a dude ranch  
where Ken is foreman. Others in  
the cast are Geneva Mitchell,  
Charles French, Betty Blythe and

## Engineer Declares City Plant Would Be Paying Concern

Alex VanPraag Speaks for Municipal Plant; Other Side Will Be Heard

Stating that the Illinois Power & Light corporation pays but one cent per kilowatt hour for electric energy in Jacksonville, and asking his hearers whether they would rather that the power company receive the profit realized between the cost and the amount paid by the consumer, than the city, Alex VanPraag, of Decatur, addressed the Kiwanis club here yesterday. Mr. VanPraag is engineer on the proposed municipal power plant. Announcement was made at the club meeting that the address for the municipal plant will be followed by a talk at the next Kiwanis meeting by an opponent of the city plant. Mr. VanPraag reviewed the steps that have been taken toward securing a municipal plant beginning in 1934 when an application was made for PWA funds to build a power plant in connection with the waterworks system. The request for \$500,000 was refused. PWA authorities pointing out that it would be impossible to approve a project for both plants. Subsequently an amended applica-

tion was filed, the waterworks system being divorced from the proposed municipal light plant. The city asked for \$420,000 to be used in construction of the plant and it is upon this issue that Jacksonville voters will ballot on January 21. The speaker said in 1933 the local power company sold 5,500,000 kilowatt hours, and it is estimated that the municipal plant will sell one-half of that amount. The estimated cost of the operation of the city plant is \$65,000 and the income will be \$125,000 leaving a profit of \$60,000 in addition to providing free street lighting. The cost of labor alone on the plant, said the speaker, will be \$100,000, the legal and administration costs running about \$15,000. It is estimated that the cost per kilowatt hour for electric energy produced by the municipal plant will be 2.02 cents, and the difference between the cost and the amount paid to the consumer will be used to retire the indebtedness of the plant. The local power and light company pays but one cent per kilowatt hour for its electric energy, said Mr. VanPraag. George Cuthall was admitted as a member of the Kiwanis club. William Berryman of St. Louis was a guest at the meeting.

Grover Whitlock of near Murrayville was a business visitor in Jacksonville yesterday afternoon.

Mr. and Mrs. Guy Seymour of the Franklin community were shopping in the city yesterday.

## Young People Enjoy Play at Recreation Institute Opening

Director 'Calls Off' as Group Executes Rhythmic Dances; Games are Taught

"Swing your partners. Skip away. Center all." It wasn't a barn dance where these stentorian calls were heard yesterday morning, nor was it in the small hours of the morning that they sounded forth upon the air. It was simply the District Recreation Institute "in full swing" at the Knights of Columbus hall. The institute opened yesterday with fifty-two young people representing eight counties in attendance. The institute is sponsored by the University of Illinois Extension Service in cooperation with the National Recreation Association of New York City. W. P. Jackson, field secretary

for the association, is the institute director and is being assisted by G. S. Randall from the Extension Service. Those attending are mostly recreation leaders in Four-H clubs, Farm bureau, and Home Bureau community units, and workers in the WPA recreational program. Counties represented include Morgan, Greene, Brown, Macoupin, Adams, Pike, Mason, and Sangamon.

Director Jackson certainly knows how to "call off." He is teaching rhythmic games to music, which are largely the old fashioned English and American dances and formations. He is also giving the young people short talks on the philosophy of recreation. The visitors are also learning games that may be played in the home, or in small groups, where there is no music or other recreational equipment.

Much of the time is spent in actually playing the games. As the young people swung about the big dance floor yesterday morning, all seemed to be having a good time. Some were playing the games for the first time, while others showed they had been to parties before and knew what to do.

The director uses a whistle to stop the movements when he wants to give a word of instruction. Here is a sample of directions: "Some of you are smarter, quicker and brighter than the rest of us. Don't go too fast, but keep your feet still till the slow ones catch up. Don't show us up."

Shortly before noon the session concluded and Director Jackson put out some instructions which the young people must have appreciated after their strenuous play. He said, "You have swung your partners; now you may feed them."

The afternoon session began at 1 o'clock. Two more sessions will be held today. Mr. Randall, the assistant director, said yesterday: "There is a continuity in the programs of the institute, and it is advisable for the students to be here for all the sessions. We have carried on these institutes for the past five years and they have been very successful." This is the second such gathering to be held in this city.

## Motor Cars Crash On Railroad Curve

Wabash Employees from Bluffs Injured When Speeders Meet

Bluffs—Floyd Harris and Leo Gregory were injured when their motor car collided head-on with the motor car of the bridge gang on the curve of the Wabash tracks south of Naples. Harris was knocked unconscious when his head struck the guard rail at the front of the car. He was brought to his home here for medical attention and his injury was not found to be serious.

Gregory suffered minor bruises but his body hit the guard rail with such force that the two inch iron was broken. Both motor cars were badly damaged.

Roy Robinson of Alexander was a business visitor in the city yesterday afternoon.

## Peek to Make Plea For Farmers During Wallace's Conclave

Plans to Submit Ideas to Conference on Substitute for AAA

Washington—(AP)—The figure of Geo.

N. Peek, sworn enemy of some Roosevelt administration policies, entered the chaotic AAA picture today, leading new dealers to fear another storm of dissension.

Administration men received word that Peek, former Roosevelt adviser who was stripped of high powers and resigned after clashing with Secretary Hull and others, planned to communicate his ideas to a conference of 70 leaders of farm organizations. The meeting, opening tomorrow, was called by Secretary Wallace to discuss plans for a program to succeed AAA, scrapped by the Supreme

Court. Peek, whose views on the tariff clash with those of Hull and Wallace, has unquestioned influence with farm groups on such matters. Wallace was known to be uneasy on hearing that the man who proved a storm centre as first administrator and later as the president's foreign trade adviser, would put his ideas before the parley.

Peek will not be present in person; his views are expected to be communicated through an intermediary. It is believed he will insist that agricultural tariffs, instead of being lowered as in some instances in the New Deal's trade treaty with Canada,

should be increased, even to the exclusion of all foreign farm imports.

Other proposals he may stress are (1) That new tariff barriers be raised against certain other imports which could be supplanted by American farm by-products in domestic manufacture; (2) That farm surpluses be exported on a barter basis.

Miss Bertha Whitlock was among shoppers in the city yesterday from Murrayville.

Raymond King of the Alexander community was a business visitor in the city yesterday.

Hebron Ladies' Aid  
Meets at Swain Home

The Hebron Ladies' Aid society was delightfully entertained Wednesday at the home of Arthur Swain, with Miss Thelma Posy Robinson, Mrs. Reuben Bates, and Mrs. Minnie Burmeister as hostesses. A delicious potluck dinner was served at the noon hour.

The meeting was called to order by the president, Mrs. Dan Ward. A song, "All Hail the Power," was sung by the society. Arthur Swain had charge of the devotion, reading the 91st Psalm and offering prayer.

During the business session the members made plans for serving lunch at a sale which is to be given in the neighborhood soon. Mrs. Reuben Bates is general chairman.

Mrs. George Hayes was in charge of the program of the afternoon. Mrs. Charles Bealmear read a poem, "Another Year is Dawning." Another poem, "A New Year's Wish," was read by Mrs. Robert Barnes.

Mrs. William Ledford entertained the society with a review of a book. A contest was held on well known slogans, with Mrs. U. B. Fox winning the prize.

Mrs. Swain presented each member and guest with a red rose.

The society adjourned to meet with Mrs. Dan Ward at a date to be announced later.

Honor Mr. and Mrs. Howard  
Meyers with Shower

Members and friends of the Epworth League of Salem E. church very pleasantly surprised Mr. and Mrs. Howard W. Meyers who were recently married, at the home of Mrs. Meyers' parents, Mr. and Mrs. Edgar Gotschall east of the city.

Mr. and Mrs. Meyers received many useful presents. Mrs. Meyers before her marriage was Marie Gotschall.

Those present were Mr. and Mrs. Harold Hurrellbink of Merrill, Helen Crain of Salem, Richard Sayre, Mr. and Mrs. Fred Sayre and family, Mrs. Ray Wilday and children, Joseph DeGroot, Marie Barber, Winous Rawlings, Genevieve Rawlings, Mr. and Mrs. A. J. Barber and Jerome, J. W. Ledford and daughters Ruth and Viola, Mr. and Mrs. Newham Oddy and daughter Palma, Mrs. Harry Thompson and June Thompson, Lloyd Cromwell, Eunice, Betty, and Billy Davis, Jimmy White, Mr. and Mrs. Howard Meyers, and Mrs. Edgar Gotschall and family.

South America Discussed  
At Missionary Society

The Women's Missionary society of State Street Presbyterian church met in the church parlors on Wednesday afternoon and the following program was carried out:

Hymn, "I Love to Tell the Story"

Prayer by the President, Miss Nellie Cunningham.

Reports were given by the secretary, the treasurer, and a special report by the Secretary of Literature, Mrs. A. L. Adams.

Mrs. Dorothy Woolsey, chairman of the Finance Committee, requested a date be set for the missionary luncheon, Feb. 19th was voted as the day.

Mrs. C. O. Gordon, Program chairman led the Devotions.

Mrs. Chester Colton was presented by Mrs. Gordon and gave a splendid review of the missionary book, "The Other America," stressing the fact of the U. S. not entering into full sympathy with and understanding of the culture of the various classes found there who from the Indians to the descendants of the Spanish Rulers, have a different view of Christianity than that of northern peoples.

The meeting was dismissed by the Misses benediction.

A social hour was spent with Mrs. LaRue, Mrs. Woolsey and Miss Nellie Cunningham as hostesses.

Five Point Club  
Elects Officers

Members of the Five Point club met Tuesday evening at the home of Miss Frances Muehlhausen on Routt street.

Mrs. Mildred Brennan presided over the business session, during which the following officers were elected: President, Mrs. Catherine Sheppard; vice-president, Mrs. Louise Deary; secretary, Miss Louise Sheppard; treasurer, Miss Lora Triebert.

The remainder of the evening was spent in playing bridge. Prizes were won by Mrs. Lola Jean Walker, Louise Sheppard, and Lora Triebert. Plans

were made to attend a party to be given by the Ann Rutledge club in Springfield, Jan. 20. The next meeting will be held with Mrs. Edna Haigh.

History Class Meets  
With Mrs. Hemphill

The members of History class were pleasantly entertained Wednesday afternoon at the home of Mrs. C. A. Hemphill, 1033 West State street. The topic for the afternoon was interestingly presented by Mrs. Hugh Beggs who spoke upon "Government Press Corps." Following a general discussion, delicious refreshments were served by the hostess.

Mrs. Bellatti Entertains  
Members of Wednesday Class

Wednesday class met at the home of Mrs. Walter Bellatti, 1146 West College avenue. Miss Ruth Elliott was the program leader, presenting the subject, "The People of Canada—Manners and Customs, Legends and Folk Songs." This topic was a continuation of the general subject for the year, "Our Neighbors" and was of great interest to all present. A delightful social hour followed the meeting.

### SOCIAL CALENDAR

Friday

The Friday Social Circle will meet on Friday with Mrs. Josephine LaRue, 715 West Douglas avenue, at 2:30 o'clock.

The Jacksonville Centennial Garden club will meet at the Public Library Friday evening, at 7:30.

The Missionary society of the Lynnville Christian church will hold its meeting at the home of Mrs. A. D. Hermann, 205 East Beecher avenue, at 2 o'clock. This meeting was postponed from last week.

The Fine Point club will meet Friday afternoon at 2:30 o'clock with Mrs. J. N. Conover, 251 Webster avenue.

The Woman's Relief Corps will meet on Friday at the American Legion Home. A potluck luncheon will be served at noon, followed by a business session and installation of officers. Each member is requested to take a covered dish.

### CARD OF THANKS

We wish to thank our friends and neighbors for their kindness during the illness and after the death of our father.

The Spahnhofer family.

## I Ate What I Liked . . . Fat Slipped Away

It was so easy—I did not go on a diet. I took no exercise. I did not weaken my body with drastic purgatives. Yet fat slipped away. Each day I felt myself growing lighter, more slender. Now my figure is lovely, graceful. And I never felt better in my life.

That, in brief, is what thousands who have reduced the Marmola way might well tell you. Four times a day they take a little tablet containing the right quantity of a world-famous corrective for abnormal obesity.—A corrective prescribed by physicians everywhere and acknowledged to be the most effective known.

Since 1907, more than 20 million packages of Marmola have been purchased. Could any better recommendation be had?

Today—buy a package of Marmola, and start at once. Soon you will experience Marmola's benefits. When you have gone far enough, stop taking Marmola. And you will bless the day you first discovered this marvelous reducing agent!

Marmola is on sale by dealers everywhere—from coast to coast.

### SPEED UP PAYMENT OF WPA EMPLOYEES

Works Progress Administration pay-rolls now are going out on schedule following delays occasioned by Christmas and New Year's holidays. James F. McElwee, district director, announced Wednesday.

He also announced that the sched-

ule has been speeded up through simplification of several procedures "so that one day's elapsed time will be eliminated from the present three-day schedule allowed for preparation of payrolls."

"Workers authorized on payrolls, therefore," said Mr. McElwee, "can now expect to receive their checks regularly within seven days after the pay period has ended."

### Man Has Cuts and Bruises as Result Of Road Accident

#### Steering Wheel Breaks on Machine and It Strikes Concrete Curbing

White Hall—Earl DeLong and Everett Davis of Roodhouse were in an auto accident south of White Hall near the Cleatus Reynolds farm, Wednesday afternoon, when the Buick sedan owned and driven by DeLong left the pavement and smashed up on a curbing. The steering wheel broke causing the accident, which occurred at the top of a hill.

Everett Davis was brought to the office of Dr. W. H. Garrison in White Hall where it was found he had suffered some bad cuts on his arm and hand, requiring stitches to close. His side and chest were also badly bruised.

Joe Ryder, well known farmer, orchard man and stock man, of Glasgow, was brought to the White Hall hospital Wednesday evening in the Dawdy ambulance, suffering with pneumonia. Mr. Ryder is 66 years old.

Elmer Cook is recovering from a lacerated chin and mouth which he sustained one evening last week when he lost control of his car north of White Hall and ran into an abutment.

Franklin Potts who sustained a broken arm some time ago in an auto accident north of the city, is doing very well and is able to be down town with his arm in a carriage.

Robert Hart of Birch Creek vicinity is confined to his bed with illness.

Mrs. Emma Long who resides on Carson street is confined to her bed with illness.

### Baby of House Secretaries

If congressmen are judges of beauty, there'll be a rush of callers at the office of Representative Gardner R. Withrow, Wisconsin Progressive. The reason is the Badger lawmaker's pretty secretary, youngest in the House, shown above. She's Miss Dorothy Wood, 19, of Neilsville, Wis., and she's enjoying Washington very much, thank you.

Free Billiard Exhibition to-night at the DREXEL.

### Life of J. R. Mott Will Be Discussed

#### Chalmers Giffen to Give Talk at Grace Church Sunday Evening

The first sermon address in the Grace church special series was given on Kagawa by the pastor of the church, Dr. F. A. Havighurst, last Sunday night, and by the marked interest and large attendance gave indication of the appreciation of these highly important and timely themes.

The second sermon address in the series on "Outstanding Present-day Christian Leaders" will be given Sunday night on the life and work of John R. Mott, by Chalmers Giffen, well-known Jacksonville business man. Mr. Giffen has shown unusual interest in biographical subjects and speaks upon such subjects in an exceedingly interesting way.

Mr. Giffen will tell the remarkable

story of John R. Mott—the student committing himself to a life of Christian service, of his career as a dynamic young leader of students, of his great work as a world evangelist, a master of great assemblies, an ardent missionary statesman, an interpreter of different people of the world to one another. The life of John R. Mott is today a bugle call to young people and to all, inspiring them to dedicate their lives to great and worthy ends. Paul Hutchinson has spoken of John R. Mott as "the most conspicuous leader of the 20th Century up to this date."

and Fayette streets. Willa Campbell, 1330 South Clay avenue, was driving a Hummobile east on State street and attempted to execute a left turn into Fayette street. A Dodge being driven west on State street by John R. Bunch Jr. struck the Campbell car, throwing it against the curb.

The left rear wheel on the Campbell machine was broken, and the Bunch car had a tire blown out and fenders damaged. No one was hurt.

### Still Coughing?

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

Even if other remedies have failed, don't be discouraged, your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle. Get Creomulsion right now. (Adv.)

Adams Rebekah Lodge No. 375 held installation of officers at the regular meeting Tuesday evening. The installing officers were Martha Moody, deputy president; Ada Brannan, deputy marshal; Ida Rowe, deputy warden; Ella Johnson, deputy recording secretary; Mamie Conlee, deputy financial secretary; Lillie Halbert, deputy treasurer; Nora Mason, chaplain; Mrs. Chouning, pianist.

The officers installed were Georgia Dawson, noble grand; Ruth Shackelford, vice grand; Nettie Dickerson, recording secretary; Ethel Rigg, financial secretary; Florence Hutchens, treasurer; Faye Hazelwood, conductor; Lillie Halbert, inside guardian; Reulah Silkwood, outside guardian; Ida Rowe, R.S.N.G.; Ella Johnson, L.S.N.G.; Rita Wigginton, L.S.V.G.

Three of the appointive officers were unable to be present and will be installed at a later date. They were Ethel Shenkle, warden; Nora Henderson, chaplain; and Emma Dawdy, R. S. V. G.

Plans are being made to hold a school of instruction soon. The Rebekah men are to serve at the next meeting, the third Tuesday in January.

The Odd Fellows are repairing and redecorating the Odd Fellows hall and it will be a very nice place when completed. It is expected to have the work completed within the next two weeks.

Mrs. Shirley Entertains

Mrs. Henry Shirley was hostess to a group of ladies at a pot luck dinner at her home on West Franklin street, Wednesday. This group has not organized but have been meeting together several times a year for the past nine years.

For several years they have made quilts and comforts for charity until the relief project made that no longer necessary and today they just enjoyed a social good time together.

Those present were beside Mrs. Shirley, Mrs. Marcus North, Mrs. Americus Seely, Miss Ida Kendall, Mrs. Dan Ozbun, Mrs. Mary Woodington, Mrs. Charles Grimes, Mrs. W. W. Evans, Mrs. L. L. Seely, Mrs. F. C. Griswold, Mrs. W. O. Tankersley who is also a member of the group is visiting in Peoria and so was absent Wednesday.

Mrs. Louie Carter was given a surprise party at her country home southwest of White Hall, Saturday night, complimenting her on her birthday. A large group of friends and neighbors were in attendance.

Mrs. Alfred Westerhold planned and carried out a successful surprise party on her father, Roy Campbell, at his home in the High Street neighborhood, southwest of White Hall, Tuesday evening on the occasion of his forty-ninth birthday. Cards were played and a refreshment course was served.

Mason Todd returned to Scott Field Sunday after spending six weeks here with his father, Jahu Todd and his sister, Mrs. Claude Ridings. He has again enlisted in the U. S. army. He has already served several terms.

Club Studies Haydn

The Choral club held a special meeting in the Library club room, Monday evening and gave a dramatized playlet on scenes from the Early Life of Franz Joseph Haydn. The club is studying Haydn this month. The second part of the program was given

## Dr. Milligan Works On Colloid Tests

Former Jacksonville Man's  
New Type X-ray Used  
for Experiments

A new type of X-ray apparatus, one of the smallest and most compact of its kind, has been installed at Rice Institute, in Houston, Texas, to be used for special experiment with various colloid materials, according to Dr. W. O. Milligan of the Chemistry department.

Dr. Milligan graduated from Illinois

college with the class of '30. While in college he was a member of Pi Phi Rho society. He is a member of the Research staff of Rice college and consultant for a chemical company in the east; also the author of many articles which have appeared in various scientific magazines. In April he presented a paper before the American Chemical society.

Rice Institute has gained international recognition in this branch of chemistry in the last several years. Dr. Harry B. Wilson, professor of chemistry, a leading scientist in the colloid field, was one of two American chemists invited to address the Faraday society, English chemical organization, at their fall meeting at Cambridge University. His address will be published soon in the organization's journal, Transactions of the Faraday Society.

The December issue of the Journal of Physical Chemistry carried a story on one of Doctor Wilson's recent experiments, and the January issue contains another, done in collaboration with Dr. Milligan on X-ray diffraction of salts and acids.

With the installation of this new apparatus we have about the most complete equipment for X-ray diffraction

in this part of the country," Dr. Milligan said.

The new machine takes diffraction pictures in from five minutes to 10 hours, where the old machines required from 24 to 48 hours, he said. Diffraction pictures are taken to see the minute particles which make up a substance, such as to find out the arrangement of atoms in a crystal, the size of a particle which may be but a few millionths of an inch in diameter, to identify strains.

Although the investigators do the research, for scientific reasons only, many practical uses come later from their results. Doctor Milligan said. The scientists investigate "hydrous oxides in aluminum, iron, tin and other hydrates and if so, which ones are formed. Industrialists then take these results and put them to practical use.

## REFERENCE WORK WILL BE DONE BY WPA PEOPLE HERE

Many county facts will be incorporated in The American Guide, a WPA publication of five volumes, upon which work is to be started within a short time. Four persons in this community will be given employment for several weeks in gathering and compiling material, according to I. L. Brown of the Public Works office, who stated Jacksonville Wednesday.

Brown said the workers will be chosen from relief rolls through the National Reconstruction Service. Their research will extend to the geographic, historical, cultural, sociological, industrial, commercial, and governmental features of the county.

The WPA plans to make the history and guide book the most complete and comprehensive ever published. Copies of the volumes will be distributed to libraries and other educational centers.

Free Billiard Exhibition to night at the DREXEL.

## ARTICHOKES ARE EASY TO COOK

MOST PLENTIFUL DURING WINTER

BY MARY E. DAGUE  
NEA Service Staff Writer

Artichokes, generally speaking, are in the same class with Nesselrode pudding in this country—considered quite as well as budgeting pocket-books.

It's a pity the idea prevails for French artichokes usually are fresh vegetables in market when other fresh vegetables are scarce and high. They offer a delicious variety at a most opportune time, too, because they are very simple to prepare and serve and can take the place of a green salad.

### Cook in Salted Water

To prepare for cooking, wash through several waters and cut stem close to leaves. Pull off hard outer leaves and cut off about 3-4 inch down. Let stand in cold water to cover to which vinegar has been added in the proportion of one tablespoon vinegar

### Tomorrow's Menu

BREAKFAST: Baked apples, cereal, cream, cornmeal pancakes, syrup, milk, coffee.

LUNCH: Creamed sweetbreads in noodle ring, stuffed artichokes, jellied cucumber and pineapple salad, cherry tarts, milk, tea.

DINNER: Baked short ribs of beef, browned potatoes, broccoli, bananas and peanut salad, diplomatic pudding, milk, coffee.

Each to a quart water. Let stand one hour and drain. Cook in boiling salted water for thirty to forty minutes. Drain and serve with Hollandaise sauce, melted butter or hot mayonnaise.

Each leaf is pulled off with the fingers, dipped in the sauce and the

soft part at the end eaten, the rest discarded. After all the leaves have been pulled away and the thistle-like choke removed, the heart is eaten with a fork. This, the very best part of the artichoke, is what comes in caps at fancy prices. The sauce is served in separate individual dishes, or if thick can be served on the side of the plate.

Stuffed artichokes are grand with fillet of beef for a special dinner. They are also nice with sweetbreads for luncheon.

### Stuffed Artichokes

Four globe artichokes, 1-2 pound mushrooms, 1 tablespoon minced onion, 1 teaspoon chopped shallot, yolk 1 egg, 2 tablespoons butter, 2 tablespoons oil, 4 thin slices bacon, salt and pepper, 2 carrots, 1 onion, 2 coarse blades celery, 5 sprigs parsley, bay leaf, 4 tablespoons white wine, 1-2 cups veal stock, 2 teaspoons flour.

Trim artichokes and parboil in boiling salted water for ten minutes. Drain thoroughly and remove choke. Mix butter in sauce pan, add minced onion and mushrooms which have been peeled and chopped and cook ten minutes. Add shallot, salt and pepper and yolk of egg. Remove from the fire and mix well. Stuff prepared artichokes with mixture. Put a slice of bacon over each and tie with a cord. Put oil in a shallow sauce pan and add carrots and onions peeled and cut in thin slices, celery coarsely chopped, parsley and bay leaf. Arrange artichokes on this bed of vegetables, add stock and wine and season with salt and pepper. Cover sauce pan and simmer until tender, about an hour. Strain liquor in pan, add flour stirred to a smooth paste with a little cold water and cook and stir until thick and smooth. Pour over artichokes and serve.

## Bossed Hitler— and Chilled Him

A Madison Wis. tailor can sit before his sewing machine and think of the days when he bossed Adolf Hitler and "showed him his place." When Peter Yust, above, was a sergeant-major in the Austrian army during the World War, Hitler was a corporal in his unit. Yust says Hitler tried to make him his friend, but was rebuffed.

## P.T.A. Program at Ashland Today

Sixth Grade Chorus Will  
Sing; Business Will Be  
Transacted

Ashland—The Ashland Parent-Teacher Association will hold the January meeting this evening at 7:30 p. m. in the Ashland grade school. There is quite an amount of business to come before the meeting and a good attendance is desired.

A program of music by the Sixth Grade Chorus, directed by the teacher, Miss Mildred Thornley, will be presented as follows:

"We're Off to the Coastin' Hill," "The Way With Our School," "The Band"—Sixth Grade Chorus.

The Ashland Woman's Club held the first meeting of the New Year Tuesday afternoon, Jan. 7, in the club room at Legion Hall. In the absence of the president, Mrs. Anna Conover, first vice-president, presided.

After the business meeting, Miss Clarice Reardon, as leader, was in charge of the program which consisted of a most interesting book review of "Spring Came On Forever" (Bess Streeter Aldrich) given by Mrs. Harry J. Lohman, and a piano duet by Miss Daveda Sorrells and Miss Reardon was also much enjoyed.

Hostesses serving during the social hour were Mrs. U. J. Sinclair, Mrs. L. D. Lewis, Mrs. Louis M. Martin, and Mrs. Walter Adkins.

Mrs. Ella Sinclair and Eugene Sinclair were visitors in Springfield Tuesday.

Mrs. Conway Wallbaum and son Duke, were guests of her parents.

Miss Eloise Brownback was sufficiently recovered to return to her home Sunday, from Schmidt Memorial hospital, Beardstown, where she had been a patient for about ten days. Her position as teacher of the First grade is being filled by Mrs. Eugene Danenberger.

### W.R.C. MEETING

The regular meeting of the Woman's Relief Corps will be held this afternoon at the Legion home. A business session will follow the luncheon and there will also be the installation of officers during the afternoon.

See E. Hagenlacher, former world's 18.2 Champion, at the DREXEL tonight. No charge.

Roland Reid of the Winchester community was among those transacting business in the city yesterday afternoon.

## FLUSH OUT 15 MILES OF KIDNEY TUBES

Medical authorities agree that your kidneys contain 15 MILES of tiny tubes or filters which help to purify the blood and keep you healthy.

If you have trouble with too frequent bladder passages with scanty amount causing burning and discomfort, the 15 MILES of kidney tubes may be flushing out. This danger signal may be the beginning of nagging backache, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes and dizziness.

If kidneys don't empty 3 pints a day and so get rid of more than 3 pounds of waste, poisonous matter may develop, causing serious trouble. Don't wait. Ask your druggist for DOAN'S PILLS, which have been used successfully by millions of people for over 40 years. They give happy relief and will help to flush out the 15 MILES of kidney tubes. Get DOAN'S PILLS at your druggist.

## Baptists in Annual Meet Wednesday; Night; Name Officer

Church Reports Show Good  
Year and Bright Future  
for Membership

Members of First Baptist church held their annual business meeting and election of church officers Wednesday night. Reports for the year 1935 showed many activities and considerable enterprise. The report of the treasurer showed all bills paid at the close of the year and a substantial balance on hand. The Sunday school also showed a sizable balance in the treasury.

Church officers, missionary groups, guilds and Sunday school departments and classes reported a successful year. The pastor, Rev. F. D. Stone, who presided at the meeting, praised the reports and expressed encouragement over the outlook for 1936. He outlined a full program of activities, with a goal of every resident member attending church and a Sunday school attendance of 400. The average attendance for the past year was 239.

## MAN BROUGHT FROM ST. LOUIS APPEARS IN JUSTICE COURT

Lawrence Jewell, who was arrested in St. Louis Tuesday and brought to this city by county officers, was arraigned yesterday morning in the court of Justice C. S. Smith on a charge of burglary and larceny. Jewell is charged with robbery of the Shadid shoe shop on West State street last July 18.

Jewell asked for a preliminary hearing, and the court set the trial for two o'clock this afternoon, with agreement of State's Attorney W. H. Absher. Bond was fixed at \$1,000, which the defendant failed to provide. He was returned to the county jail.

## RETURNS FROM VISIT

Mrs. Laura Patterson, 304 South Main street, returned to her home today from White Hall, where she has been visiting relatives.

## Royal Neighbors Of Greene Elect

Pearl Spencer Named Oracle; Other News From Carrollton

Carrollton, Ill., Jan. 9.—The members of Carlson Camp, No. 7595, R. N. A., met the home of Mrs. Ada Winters Wednesday evening, and after the regular business an election of officers for the year 1936 was held with the following results: Oracle, Pearl Spencer; vice oracle, Ella Maiberry; past oracle, Pearl Adcock; chancellor, Ada Winters; recorder, Stella Short; receiver, Nell Hogan; inner sentinel, Mary Laris; outer sentinel, Donna Sullivan; musician, Rosa De Wisch; physicians, Drs. Ross Edwards and S. F. March; managers, Minnie Meek, Virginia Shirley and Agnes Davis; flag bearer, Lena Lindsey; marshal, Lora Vinyard; assistant marshal, Pearl Farrington; Graces, Pauline Becker, Bertha Stout, Hazel Reich, Mary Hildebrand, Eula Kuhnline; special auditor, James Spencer. A resolution was made and adopted extending the sympathy of the officers and members of Carlson Camp, Royal Neighbors, to Mr. and Mrs. Frank Shackleford and family, in their sorrow, caused by the death of their son, William Jennings Shackleford, who was one of the three young men who died in the past few days as the result of an auto crash. Mrs. Shackleford has been a member of Carlson Camp for several years.

Mrs. Thomas Hynes will be hostess to the members of her pinocchio club Friday evening at her home.

The West End members will entertain the East End members of the Pass Time Club Tuesday evening, Jan. 14, at the home of Misses Nellie and Della Foley. After a pot-luck supper has been served, cards and other

amusements will be the program.

Thomas B. Lindsey, editor of the Morrisonville Times, spent Sunday here with Arnold Rosenboom, linotype operator at the Carrollton Patriot.

Mr. and Mrs. Ruppert Valentine entertained at a dinner party at their home Thursday evening. The guests

were Mr. and Mrs. Guy Richards, Mr. and Mrs. Beverly Farrow, Jr., of El

and County Clerk and Mrs. Guy Bridgewater of this city. Norman P. Jones left here Friday, after a holiday visit, for Cambridge, Mass., where he is a law student at Harvard University.

Mrs. O. P. Estes of St. Francisville

has returned home after spending the past three weeks here at the home of her son-in-law and daughter, Dr. and Mrs. Ross Edwards.

Mr. and Mrs. Oliver Boe and sons returned Tuesday to their home in Louisville, Ky., after spending the holidays here with her parents, Mr. and Mrs. Lynn P. Simpson.

Sunday guests of Mr. and Mrs. Frank McCollister were Mr. and Mrs. A. L. Lukeman of Franklin, Albert

Lukeman, Jr., of Jacksonville, Mr. and Mrs. E. T. Benson and daughter, Miss Virginia Claire, of Champaign. Lawrence Koster, who underwent an operation recently for appendicitis at Our Saviour's hospital, Jack-

sonville, is reported as recovering very nicely.

Frank Bennett of Argentina, South America, has returned to his studies at the University of Illinois, after a two weeks' visit here at the home of his classmate, David Meek, who accompanied him back to the university.

**CARD OF THANKS**

We desire to express our sincere appreciation to those who assisted us in any way during our recent bereavement, and to thank you for your expressions of sympathy.

## Joliet Catholic Rallies in Second Half to Turn Back I. S. D. Tigers by 31 to 24

Joliet, Jan. 9.—Breaking a deadlock shortly after the second half began, Joliet Catholic high tonight went ahead of the Illinois School for the Deaf Tigers to win a 31 to 24 basketball battle that kept a large crowd entertained all through the game.

The Tigers took a one point lead, 8 to 7 at the end of the first quarter, and held up to a 12 to 12 tie at the end of the first half. Then the Joliet team, which several times has gone high in the National Catholic tournament, forged into the lead and at the end of the third period was in front 21 to 16. The Tigers lost two points more during the final quarter

## College Team Meets Carthage 5 Tonight

### Van Meter's Lads Take Day Of Rest Prior To Game; All In Shape

Illinois College's basketball team tonight will meet Carthage on the Carthage College court, in their third game of the present Little 19 campaign. Illinois has yet to win a conference start this season, but hopes to accomplish it tonight.

Carthage won its last start against Culver Stockton in an overtime game, after once whipping the Iowa quintet decisively in their first meeting.

Van Meter probably will start May and Cecil Fletcher, forwards, Lester, center, Virgil Fletcher, Macoupin, Maier, guards. All of the players are in good condition.

Van Meter called off practice last night in order to conserve energy.

## Routt High Ready For Two Contests Go To Hannibal Tonight And White Hall Tomorrow Night For Games

Routt high's cagers will go to Missouri tonight for their competition, meeting the McCooley high cagers on the Hannibal court in the first of two games carded for this week-end. The Rockets will go to White Hall Saturday night for one of the stand-out games of the week-end.

With only one game scheduled at Hannibal, Coach Baptist plans to travel lightly. He plans to use the pre-holiday schedule, with Lait and Balkan forwards, Fritscher, center, and Lawrence and Beerup, guards.

The Rockets will meet White Hall in a double header Saturday night. White Hall is one of the outstanding teams of this section.

## St. Louis Girls Win From Roodhouse

Roodhouse, Jan. 9. — Outplaying their rivals from start to finish, the St. Louis Girl All-Stars won from the Roodhouse Indians here tonight 12 to 10. The All-Stars had trouble with the Roodhouse defense, but controlled the ball a large part of the time.

Strife is tearing at the vitals of the Y. M. C. A. league now.

There is a hot dispute on whether Jim Winn's participation in the league will cause all of the amateur performers to become professionals.

The argument is that Winn is a professional, and his association in a competitive way with amateurs will cause them to give up their amateur standing. Winn is under a baseball contract with the Boston Red Sox and next summer will play with the Charlotte team.

They do say that Hugh L. Ray, the guy who wrote the National Federation of High Schools Football rules, has yet to pass one of the examinations tendered by the state association with a perfect grade. Ray, who answers most of the questions submitted by arbiters, has been near the top all the time, but when the boys who grade the papers run across one of his examinations, they bear down.

Ray answers all of the questions right, but somewhere in the eight pages of closely printed questions he leaves out some point which gets a red mark.

You can scarcely blame the ten-nisers for enlisting under the Bill O'Brien banner. They get good dough, which is what most of us are after. For instance, Jane Sharp will collect \$150 each week and O'Brien will feed her \$300 a week, but must buy her own cakes.

Berkeley Bell will be paid \$500 a week flat. Bruce Barnes, the Texan, gets \$250 per. Both feed themselves. Each individual must take care of his or her hotel bill, but O'Brien stands for all traveling expenses.

The big shots are George Lott, Lester Stofen and Ellsworth Vines. Lott and Stofen each receive 12 1/2 per cent of the gate. Last year it netted them better than \$20,000 each. Vines rated 20 per cent of the gate and so made considerably more.

What is left is split 50-50 between Big Bill Tilden and O'Brien. They made plenty, too.

Connie Mack got between \$300,000 and \$500,000 from the Red Sox for Fox, McNair, Cramer and Marum—in addition to players. Unless the Sunday baseball bars are let down the Red Sox will move their Piedmont League franchise from Charlotte to Rocky Mount or Greensboro, N. C. Joe Salvoldi has been suspended in New York for conducting unbecoming a wrestler. How could he be? Nat Fleischer, editor of the Ring, leaves in a week to look over the boxing situations in South American countries.

Joe Louis says he won't mess around any longer, than necessary with Charlie Retzlaff when they cross knuckles in Chicago a week from tomorrow. The fellow driving that dust-covered flivver down Broadway yesterday was Bill Tilden, just in from the coast for the pro tennis tour.

## Chevrolets Defeat Merchants In Loop Swifts Have Easy Time With Playboys And Indees Wallop Lynnville

Scores Last Night

Swifts 39; Playboys 9.  
Lynnville 20; Smith Indees 44.  
Chevrolets 29; Merchants 24.

Chevrolets quintet romped into a tie with Smith Indees and Swifts for first place in the Y. M. C. A. basketball league on the David Prince court last night when they bumped off the Jacksonville Merchants in a well played game, 29 to 24. The Swifts entry climbed over the Playboys easily 39 to 9, and the Lynnville Athletic Club fell before the Smith Indees, 44 to 20 in another league game.

The Chevrolets took a long lead at the start, and then fought off a rally to win the game. Swifts and the Smith Indees made their first start in the league.

## Pull Away Steadily to Take First Game; Beardstown Will Be Next Crimson Opponent

Games Tonight

7:30 p. m.—Jacksonville vs. Beardstown.  
8:30 p. m.—Rushville vs. Industry.

Scores Last Night

Mt. Sterling 29; Jacksonville 37.  
Rushville 48; Browning 20.

Beardstown, Jan. 9.—Ragged at the start but improving rapidly during the game, Jacksonville high conquered Mt. Sterling here tonight to advance to the semi-finals where they will meet Beardstown Friday night. Rushville bowling over Browning to advance in the upper half of the draw to meet Industry in the other semi-final.

Barely able to get a lead during the first quarter, 9-8, the Crimson put on a little more scoring push in the second period to run up a 19 to 14 lead at the end of the first half. The Crimson had a ten point lead at the end of the third period, and second string players finished the game, winning by a 37 to 29.

Rushville had little trouble in bowling over Browning running up a 22 to 2 lead in the first quarter, and a 36 to 12 lead at the end of the first half. From then on Rushville used reserve players to a large extent, but held a 40 to 18 lead at the end of the third quarter, and finished easily, 48 to 20.

Jacksonville had plenty of trouble with Mt. Sterling, tossing in only two more field goals than their opponents, but registered nine shots from the free throw line to five for their opponents.

Bob Hamm and George Hamilton led the scoring with 11 points each, with Lukeman and John Bellatti scoring six points each.

Rushville appeared to have the edge on the rest of the teams in the tournament, but the Jacksonville-Beardstown game Friday night is exciting a lot of enthusiasm. Jacksonville handed Beardstown a defeat on the Jacksonville court earlier this year, but at that time they had Ferguson, who is now out of the line-up with a broken shoulder blade.

## Valley League War Breaks Out Tonight

Warfare along the Illinois Valley conference front will break out in almost full fury this week-end as White Hall carries it bid for a southwestern section title to its neighboring city, Roodhouse, and Winchester's Wildcats go over to Pittsfield for a game with the Indians, now defending first place in the northwestern section.

Those two games will top the interest in the league, Carrollton going to Jerseyville tonight for the only other tilt on tap. One intersection game is on the schedule, bringing Winchester together with Jerseyville on the Jersey county court Saturday night. The schedule for the week-end:

Tonight.

White Hall at Roodhouse.  
Carrollton at Jerseyville.  
Winchester at Pittsfield.  
Barry at Grigsbyville.  
New Berlin at Franklin Bluffs at Milton.  
Rockbridge at Brighton.  
Hillview at Alsey.  
Timewell at Chapin.

Saturday Night.

Pittsfield at Nebo.  
Winchester at Jerseyville.  
Grigsbyville at Baylis.  
Pleasant Hill at Kinderhook.

## Pleasant Hill Wins From Bluffs, 21-17

Bluffs, Jan. 9.—A closing rally gave Pleasant Hill a 21 to 17 victory over Bluffs here Wednesday night in an Illinois Valley conference basketball game. The Bluffs Town Team defeated the Pleasant Hill Indians 58 to 30 in the final game of the evening.

## Mussolini's Army Reaches Million

Flag Ceremonies Held Over Nation Yesterday

Rome. —(AP)—Premier Mussolini's million man army was shown today to be at full strength.

Widespread flag ceremonies during the sixty-third birthday anniversary yesterday of the "war-time queen," Elena, disclosed replacements wherever troops had gone to Africa.

A dispatch from Asti, in the far northwestern corner of Italy, circulated by the official Stefani agency, reported presentation of one flag even to a regiment of the Assietta division, in that neighborhood close to the Italo-French frontier.

Informed sources revealed that the original Assietta division, like many others, had been sent to Africa, where Italy is engaged in warfare with Ethiopia, but had been replaced by a new division bearing the same name.

## Probe Past Lives of Three Men Held for Deaths of Tourists

San Francisco. —(AP)—Police delved into the past lives of three men held for investigation today in connection with the disappearance of four motorists in New Mexico last summer.

The men, arrested on an anonymous letter "tip," gave their names as Lawrence and Clarence Chanter of Los Angeles, and Dewey Goode of Dallas, Tex.

They denied knowledge of the fate of Mr. and Mrs. George Lorus of East St. Louis and Mr. and Mrs. Albert Hebert of DuQuoin, Ill., charred remains of whose clothing were found on the East Mesa five miles from Albuquerque last summer.

The letter which disclosed the men's whereabouts here was postmarked at Los Angeles. Capt. Healy said the writer claimed to have overheard a conversation in which the three men discussed the desert mystery.

"Well, we certainly got away with those people on the desert in pretty shape," the writer quoted. "They will never get us for that."

The letter also said, "My daughter is now dead."

Capt. Healy said Clarence Chanter told him he believed the letter was the result of "a mother's desire for revenge." He expressed belief the letter was written by a woman who blames one of the trio for her daughter's death.

Asland callers in Jacksonville yesterday included Mrs. George Quigg.

Miss Helen K. Abbott of Pittsfield was a Thursday shopper here.

## Tennis Chief Sees Big Year for Team

Believes Mrs. Moody Will  
Seek Women's Title in  
United States

(This is sixth of a series written  
especially for the Associated Press  
by national sports leaders on results  
of 1935 and prospects for 1936.)  
BY WALTER MERRILL HALL  
(President, U. S. Lawn Tennis Asso-  
ciation)

New York—(P)—I believe we can look  
ahead to the tennis season of 1936 with  
assurance of a most satisfactory year.  
There has been ample evidence of the  
growth of public interest  
in the game, not only from the stand-  
point of attendance at our tourna-  
ments and championships but what is  
more important, the constant increase  
in the amount of play at our club  
public parks, and private courts. This  
increased public interest will add to  
the attraction of the 1936 season  
which already can be seen to have  
elements of new flavor, at least by  
comparison with recent years.

Our American zone of the Davis cup  
competition will in 1936 receive re-  
newed stimulus and zest from the  
Australian challenge in this zone  
which insures a high quality of com-  
petitive sport right from the start  
of the season.

It also seems most probable that  
this year's women's tennis will be en-  
livened by a return to competition in  
American tournaments of our former  
champion and present British cham-  
pion, Mrs. Helen Wills Moody, and  
that our championships will be cli-  
maxed by another epochal match be-  
tween Mrs. Moody and our present  
champion, Miss Helen Jacobs, which  
will be of immense public interest  
since these two outstanding American  
players are now bracketed at the top  
of the women's tennis world.

While our men's Davis cup team  
failed last year in the challenge  
round against England and was beat-  
en, it should not be overlooked that  
they won the Inter-zone final against  
Germany, winner of the European  
zone, and that there are significant  
elements of encouragement in the  
result of our American championship  
later in the season when for the first  
time in three years, an American  
player won our singles championship.  
I feel that the game has benefited  
in 1935 from the enactment of the  
eight weeks rule, which under tem-  
perate administration and with praise-  
worthy cooperation from the players  
has raised amateur standards while  
not checking the development of tour-  
nament play, and which in 1936 should  
continue to be a constructive influ-  
ence.

## DYKES DECLARES SOX ARE ON THE CLIMB

Will Be Better Than Last  
Year, He Says

Port Myers, Fla., Jan. 9.—(P)—Man-  
ager Jimmy Dykes, here on a vaca-  
tion, told the world today his Chicago  
White Sox "are on the ladder to  
climb."

"We may not finish second or third,  
but we'll better our last year's position  
one notch—maybe better," Dykes said,  
after two rounds of golf that left a  
grin on his face and lunch money in  
his pocket.

The White Sox finished fifth in  
the American League last season.  
After turning in two rounds of 74  
and 73 on the golf course Dykes was  
ready to take on all comers. "If I  
didn't love baseball so much I would  
give a few of these sissy golf pros a  
run for their money—and enjoy it,"  
he chuckled, adding "if Babe Ruth  
wants to play for money I'm ready."

## Rare Persian Rugs Will Be Shown at Strawn Art Home

January Exhibit To Open  
Today With Showing Of  
Oriental Work

Persian Oriental rugs will feature  
the January exhibit at the Strawn  
gallery, which will open this after-  
noon at 1:30 o'clock. The exhibit is  
one of the finest ever displayed and is  
composed of some of the most exqui-  
site Persian rugs the world has ever  
known, including rugs from those of  
the twelfth up to the nineteenth cen-  
turies, also silk rugs of the eighteenth  
century Persian royalty.

Some of these rugs are from the  
private collection of Sarkis H. Nahi-  
glen of Chicago. The display will also  
include Persian miniatures and paint-  
ings. The miniatures are from H.  
Kevorkian, New York.

This exhibit on account of its high  
artistic merits, has been given at var-  
ious times in the Art Institute at Mus-  
kegon, Mich., University of Wisconsin,  
University of Illinois, and other cul-  
tural centers throughout the middle-  
west. The University of Illinois had  
this exhibit three times during the  
last five years, the last one only re-  
cently in the fall.

It has aroused great comment in  
the press wherever it has been dis-  
played. The rugs are unusually beau-  
tiful and speak eloquently for them-  
selves, through the colors and patterns  
that are exhilarating, and create a  
new world of charm and refreshing  
beauty.

Miss Lena Vessler of Beardstown was a Thursday shopper in the city.

William Long of Beardstown was a caller in the city yesterday.

It has been announced by Mrs. J. Parker Doan, chairman of the program committee, that there are three books available at the Public Library which will be of interest on this subject.

## WPA to Assist in Restoring Old Ben

Director for District Will  
Aid Johnston City

Johnston City, Ill.—(P)—This city  
looked today to the WPA for promised  
aid in restoring to workable condition  
Old Ben Mine No. 18, flooded yester-  
day for the second time in little more  
than a month.

Walter Williams, WPA director for  
2 southern Illinois counties, informed  
Johnston City's civic organizations  
late yesterday he would do all he  
could to restore the mine. It is the  
main industry here.

Forty-three miners, who had been  
working to seal out the water from  
nearby abandoned mines, narrowly  
escaped death when the water poured  
in.

# Princeton Homes Dark!

## Municipal Ownership Is Cause!

Princeton has municipal ownership,  
such as is proposed for Jacksonville.

What happened in Princeton could  
happen anywhere where an isolated,  
politically-managed electric plant was  
the only source of power.

The City of Jacksonville cannot af-  
ford to take a chance on the sort of  
service supplied by politically operated  
plants.

Princeton serves as a warning to  
Jacksonville.

Vote "NO" on all three propositions  
on January 21st.

This advertisement is published because a large group of citizens believe that the people of Jacksonville  
should see more facts regarding their electric service and hear less  
prejudiced political argument.

## City Plunged in Darkness

(From the Bureau County Republican,  
January 2, 1936.)

The City of Princeton was  
thrown into darkness for a period  
of almost three hours Saturday  
night by a breakdown of the new  
high-pressure boiler at the munici-  
pal electric plant. A gasket located  
at a strategic point on the  
boiler gave way at about 5 o'clock  
and it was almost 8 o'clock before  
repairs were completed. While  
this work was being done electric  
service was suspended on all the  
circuits excepting the one on which  
the hospital and the South Main  
business district are located.

.....under the present ar-  
rangement of the plant it would  
not be surprising for similar shut-  
downs to occur in the future. The  
new boiler at the plant is designed  
to carry the entire electric load of  
the city alone, and should this  
boiler get out of commission the  
only other generating unit avail-  
able on immediate notice would be  
the diesel engine, which is not  
powerful enough to light the entire  
city.....

## Old Boiler Springs Leak; Second Ward Children Dismissed

### Lafayette School Heating Plant Causes Trouble; School Today

A 35 year old boiler in the basement of the Lafayette grade school developed a leak early yesterday that could not be repaired immediately, and as a result of the troubles several hundred pupils enjoyed a vacation from their studies.

Teachers and pupils reported for work at the regular time, but City Supt. R. O. Stoops and Miss Paxton, principal, ordered a dismissal of the pupils as soon as they arrived. Plumbers started to work on the boiler at 3 o'clock yesterday morning and completed repairs yesterday afternoon. Classes will be resumed as usual this morning.

The leak developed in one of the tubes of the boiler, which had rusted entirely through at one end. Because of the break it was impossible to heat the building comfortably.

The breakdown of the heating plant Benefit card party Fri. Jan. 17—8 p. m. at VFW Hall.

was viewed by many as another indication that the Lafayette building and equipment is worn out and should be abandoned. Plans were made for a transfer of pupils to other schools this week, but a halt in the proposed building program made this impossible.

Jacksonville citizens already have approved the erection of new school buildings in the second and third wards. Bids submitted by contractors to PWA sometime ago have been held up pending a conference on the costs, which were higher than had been anticipated.

### BIGGER TO DISCUSS TERMITES AT CLUB MEETING TONIGHT

John H. Bigger, Field Entomologist with the Natural History Survey of the state will talk on "Termites" and show specimens at the meeting of the Jacksonville Centennial Garden club to be held at the Public Library this evening at 7:30 o'clock.

By request he will also discuss the "Winter Care of Flowers and Shrubs." Robert W. Stark, formerly associate in Agronomy at the University of Illinois, will discuss "Growing Lilies." His experience in growing Regal and Philippine Poinsettias from seed will be of special interest.

Garden books belonging to the club will be on display and may be taken out at this time.

## John Gilbert Well Known Movie Actor Dies Suddenly

Hollywood, Calif. — (AP) John Gilbert, 38, great lover of the screen, died today at his home here from a heart attack.

His death was revealed when the fire department was called to his residence in an effort to revive him with an inhalator.

Gilbert was taken ill only a few days ago. When his condition became alarming this morning his trained nurse summoned his personal physician, Dr. Leo Madsen. Shortly afterwards the actor was dead.

Four times married, and for many years one of the most romantic figures in movies, Gilbert was born in Logan, Utah, July 10, 1897. His real name was John Pringle.

His parents were stage players. One of his first jobs in pictures was as a cowboy extra in a William S. Hart film.

Gilbert was divorced the fourth time last May, when Virginia Bruce, formerly of the Follies, got a decree after they had been married a year and eight months. She was awarded the custody of their nine-month-old baby, Susan Ann Gilbert.

Before this brief romance he had been divorced successively from Olivia Burwell, and Leatrice Joy and Ina Claire, both well known actresses.

Gilbert's first stage appearance was as a baby in an Eddie Foy play, when he was a year old. He traveled with his parents, picking up education at many places and finally attended the Hitchock Military Academy at San Francisco. After graduation he became a rubber goods salesman out of San Francisco, but soon the stage lured him back.

He joined the Baker Stock Company

in Spokane, Wash., in 1915, as stage manager. He was fired the first night because he ran the curtain down on "Alias Jimmy Valentine" before the act was finished. He got his job back but soon thereafter the company went broke.

After odd jobs he decided to try the movies and was introduced at the Thomas Ince studios in Santa Monica by Herschell Mayall, old time drama player and friend of his father.

He played as extra first for a year then got a contract for two years at \$30 and \$40 a week.

Gilbert was discouraged and tried to get a transfer to the scenario department and finally got a lead with Louise Glaum, in which play he met Leatrice Joy.

### WON'T TALK AAA IN WHITE HOUSE TONITE

President Will Hold Annual Reception for Court

Washington—(P)—AAA is a household word in America now, but in one American home it will be taboo tonight. That's the White House.

The annual reception to the Supreme Court will be held there, three days after the tribunal swept President Roosevelt's farm plan away.

The six justices who condemned the law are expected to attend but two of the dissenters will not. Justice and Mrs. Brandeis have consistently avoided formal social affairs in recent years. Justice Cardozo, a bachelor, shies away from them, too.

It's considered a sure thing that when the president greets the justices there will be no mention of any litigation. It would be against the unwritten law.

Clarence Wells of Palmyra spent Thursday in the city transacting business.

Ray Morris of Murrayville was a visitor in the local community yesterday.

## A TIMELY COINCIDENCE

## Show Alliance of Morgans, English

Washington—(P)—More evidence of close teamwork between J. P. Morgan and the British government while this country was debating whether to enter the world war was presented today to the senate munitions committee.

The portly financier chuckled as the story unfolded tediously. Documents were introduced to show that David Lloyd George, then British finance minister and later premier, intervened to place the allies' vast American purchases almost exclusively in his hands.

A cablegram by an agent of W. P. Bonbright and Company, of New York, which sought a contract to make huge purchases in this country for France, also said the English minister of finance had induced the French to give the business to Morgan's Paris agency.

A committee investigator testified that Morgan's house sent to the allies 84 percent of the arms, steel and steel implements they bought in this country before the United States entered the war.

has abandoned the Tembien region on the northern front.

Simultaneously, reports from travelers said many roads between Mikale, forward point of the Fascist northern front, Addis Ababa and Debra Tabor, a principal city west of the northern lines, were washed out in many places by heavy rains.

Government sources had already claimed the Italians quit all their posts in the mountainous Tembien sector, just west of the northern front, a fortnight ago.

Today's official communique, issued to confirm the reports, described the Fascist evacuation as "precipitous."

100,000 Troops Said to Have Been Involved in Clash in Dolo Region; Claim Italy Defeated in North.

RAINS CAUSE WASH OUTS

Addis Ababa — (AP) — Well-informed sources said today the Ethiopian government had received reports that a large scale Italian advance was frustrated in the Dolo region after an engagement involving nearly 100,000 troops.

These sources said Ras Desta Denu, Emperor Haile Selassie's son-in-law who is commanding the Ethiopian armies of the south, had telegraphed the government that a new Italian attempt to invade the great African Rift valley from Dolo westward to Sidamo province had been frustrated.

Sixty thousand Ethiopians defeated 18,000 Italians and 25,000 Somalis in the Dolo region, the report stated.

It followed an official announcement that the invading Italian army

## Hold Reception For Alexander Pastor

Father Robert Eagar Honored By Church Group; Other Alexander News

Alexander—Two hundred guests attended a reception Wednesday evening at the Church of the Visitation for Rev. Fr. Robert Eagar, newly appointed pastor to the parish. Several visiting priests were in attendance.

The program was opened by Francis J. Kaiser, who with fitting remarks presented Fred W. Neal, who had charge of the program. Violin and piano numbers by the Misses Emma and Irene Bergschneider opened the program. Rev. Fr. Serpennant of Springfield gave several vocal selections, playing his own accompaniment. James Davidson of Jacksonville gave several readings.

Mr. Neal next presented the visiting priests, each of whom made brief remarks. They included Rev. Frs. Ryan and Serpennant of Springfield, Lyden of Murrayville, Butler of Franklin, Englum and Johnson of Jacksonville, and Fanning of New Berlin.

At the close of the program the parish committee served refreshments to all present.

News Notes

The Alexander Women's club met Wednesday at the home of Mrs. J. W. Rief. Music for the program was furnished by Miss Ruth Beerup. Mrs. J. J. Proffitt will have the next meeting of the club.

Reuben Davis has returned from Mason City for a brief stay with relatives here.

Mr. and Mrs. U. G. Mason, who were called to this country from Kansas City by the death of his brother, E. E. Mason, in Jacksonville, are visiting at the home of his sister, Mrs. Rosa Strawn, here.

L. C. Hess of Concord was calling on friends here Thursday.

J. H. Long represented the Beards-town community here yesterday.

Mrs. Kenneth Barton Entertains Bridge Club. Mrs. Kenneth Barton, 294 Finley street, entertained the members of Kline's Bridge club at her home Wednesday night. Mrs. Barton was awarded high score. Mrs. Tracy Johnson, second, and Miss Nell Day won the consolation prize.

Dainty refreshments were served by the hostess late in the evening. Miss Faye Barton and Mrs. Bradford Cox were present as guests of the club members. Mrs. Margaret Wyatt, Mrs. Byron Stone, Mrs. Glee Gardner, Miss Nell Day, Mrs. Tracy Johnson and Mrs. Kenneth Barton.

Mound Woman's Club Meets Thursday. Miss Amanda Pfeil, assisted by Miss Leah Caldwell, entertained the members of the Mound Woman's Club at an all day meeting Thursday. Twenty-two members and one guest, Mrs. Margaret Wegehoff, attended.

A pot luck lunch was enjoyed at noon followed by a business meeting at which time a frolic day in connection with the county federated clubs was planned for January 30. An open discussion on consolidated schools led by Mrs. Clara Wax and Mrs. Edna Mason followed. The remainder of the day was spent in sewing for Passavant hospital.

Chi Alpha Sorority Entertained at Mann Home. Chi Alpha Sorority was entertained Wednesday evening at the home of Miss Elizabeth Mann. The meeting opened with the reading of the ritual and was followed by roll call which was answered with a current event. The new members then entertained the group with various stunts and acts. A social hour followed during which several interesting games were played.

At the close of the evening dainty refreshments were served by the hostess. Members present were: Dorothy DeFries, Helen Magill, Frances Craft, Maurine Roodhouse, Edna Bell Clark, Hilda Roodhouse, Ava Swain, Mildred Deaton, Marguerite Schoedack, Elizabeth Mann.

Eastern Star Order Holds Obligation Rites. The local order of Eastern Star enjoyed an obligation ceremony last evening at the new Masonic Temple, following the stated meeting. The service was in candlelight, and expressed a renewal of the obligation which each member pledges to the order. The ceremony was planned by the Worthy Matron, Miss Laura Hatfield.

Miss Rhoda Olds was the soloist, contributing several numbers during the evening. Her accompanist was Mrs. Inez Canazey.

Guests of the lodge were present from Roodhouse, Murrayville and Scottville.

## ELECTRICITY IS NOW VERY CHEAP IN JACKSONVILLE

• The chart pictures the difference between the cost of 20, 40, 100 and 150 Kw-Hrs. of electricity at the rates in effect when your present Company first took over the business and at the rates effective February 1st.

• It will be noted that the cost has already decreased from 50% to 63%. In other words the rates have already been more than cut in two and another reduction will be made in the Fall.

### THE MORE

Electricity the company sells the cheaper it can sell it.

What other type of Service can match that record?

The arrows will continue to point downward.

### FACTS OF RECORD

Measure Called Before House Today as Senate Committee Begins Discussion of Less Liberal Bill.

## PREDICT BIG MARGIN

Washington — (AP) — A new cash payment bonus bill rode today onto the house floor amid the acclaim of supporters who predicted passage today by a huge majority vote.

A smooth legislative path apparently lay ahead. Once-hostile house factions were in agreement behind the measure. It had the united support of the American Legion, Veterans of Foreign Wars and Disabled American Veterans.

## With All My Love

BEGIN HERE TODAY  
DANA STANLEY, divorced from her husband, DR. SCOTT STANLEY, is making plans to marry rich RONALD MOORE.  
(Ronald had been in love with Dana before her marriage. After Dana leaves her husband (believing him to have with PAULA LONG) Ronnie is a loyal friend.)  
NANCY, Dana's half-sister, loves Ronald but has always hidden her feelings from him by a disinterested attitude.  
With no heart in her plans Dana goes ahead with her preparations to marry Ronnie.  
AUNT ELLEN, Dana's romantic great aunt goes to DR. OSBORNE, Scott's partner, and tells him Dana and Ronnie plan to marry that night. The physician decides to telephone the news to Scott, who is attending a convention out of the city.

NOW GO ON WITH THE STORY  
CHAPTER XLIV  
IT WAS 3:30 p. m. when the telephone rang and the operator's voice announced: "Ready with Dr. Stanley at Easton."

A pause, then Scott's deep voice. "Hello."

"Hello, there, Dr. Osborne. Then, quickly, "Nothing wrong, I hope."

"Plenty, I'm afraid, Scott." "Let's have it, sir."

"They say your wife's getting married to Ronnie Moore—to-night."

Silence. Then Scott's voice, hoarse with emotion. "Thanks, sir. I'm coming as fast as I can."

The telephone clicked. Dr. Osborne hung up, smiling a little. A load was off his mind. He had almost made one of the big mistakes of his life. He would have made it if it hadn't been for that timid old lady. But now Scott was coming as fast as he could. That meant he'd be coming more than fast. The new car of Scott's was a traveler! And with good roads all the way, Scott should have time to get home before nightfall, with a good margin to spare.

When Scott spoke in the tone he had just used over the phone, something was bound to happen. It had taken a jolt like this to bring that hard-headed, hard-bitten young realist to his senses, bringing him tearing across the country to put a stop to this fool business.

MEANWHILE Dana continued her preparations in a half daze. There was a sense of unreality about everything. The rain had stopped, but the sky was still dark, and the gloom had penetrated the house, wrapping it in gray shadows.

The silent, flower-filled rooms surely had nothing to do with a happy occasion. Dana could not bear to look into the big, front drawing room. Once she had, but had glanced away quickly. The big mantel facing her was like a solemn rebuke.

She and Scott had stood in front of it two years ago when they gave their pledges to each other, with a soft glow from tall candles about them. Forever and ever. What a mockery! Nobody ever married for forever and ever any more.

Nancy was shut up in her room, trying people, Dana said.

expected a flurry of amendments to be tossed at the legislation, they forecast passage with all essential details left unaltered.

The bill would declare the veterans' adjusted service certificates to be "immediately payable." To those desiring not to cash them now, however, it would offer 3 percent interest on them until January 1, 1945.

Five hours of general debate began when Chairman O'Connor (D. N.Y.) of the rules committee called up the resolution giving the bonus a right of way.

As house debate began complete silence shrouded a senate conference on the question in the office of Democratic Leader Robinson. It was attended by Robinson, Senator Harrison (D. Miss.), chairman of the finance committee that handles bonus legislation, Byrnes (D. S.C.) co-author with Senator Steiwer (R. Ore.) of a less liberal bonus bill than that in the house, and veteran organization leaders.

HAIR WAVE AN AID TO WOMAN'S SANITY  
Find It Helps Women in Kankakee Hospital

Kankakee, Ill.—(P)—The permanent wave went down in medical annals today as an aid to woman's sanity.

Curling the hair of female patients at the Illinois State Hospital for the Insane has proven so effective in helping restore their mental balance that a whole building has been set aside for a beauty parlor. Supt. Robert Smith disclosed in an interview.

The patients will make appointments for beauty treatments at the new parlor just as women do in the world outside. Just as they would in normal life, they will wait their turn in a waiting room, complete with magazines and radio.

Mr. and Mrs. John Farnbach of White Hall were callers in the city yesterday afternoon.

Frank Fox of Virginia spent Thursday in the city transacting business.

## Campbell May Head Kelly-Nash Ticket

Saturday Conference Expected to Settle Problem

Springfield, Ill.—(P)—In the rush to the Kelly-Nash bandwagon, most of the places on the Democratic "organization" ticket for the April primary have already been reserved.

Democrats who are ready to line up for the organization in opposition to Governor Horner's desire for a second term today said the only two major positions not definitely filled in advance were governor and lieutenant governor.

Those who profess to speak with authority mention the name of Bruce A. Campbell of Belleville, most often as the anti-Horner candidate for governor. The Democratic state chairman ran in third place in the 1932 primary.

The state-makers have remained silent, however, and insist that no decisions can be made in advance of the Cook county-downstate conference expected to be held at Chicago Saturday.

NEW MONEY WORRY  
Kansas City—(P)—Kansas City coin collectors, who used to fret because President Hoover wouldn't issue any special commemorative coins for them to collect, plan to meet Monday to worry about President Roosevelt's insistence of eight in the last two years.

BLOWS UP THEORY  
New York—(P)—To win fame and fortune in your business, says Prof. Howard W. Haggard of Yale University, eat five or six times a day instead of two or three. He explained tests showed workers are more efficient the first three hours after eating. Besides, he added, it isn't true your stomach needs a rest.

James Rice of the Point neighborhood was a business visitor in the city yesterday.

"Yes, dearie. But Miss Long looked as though they were being perpetually washed with tears. It was easy enough to understand why Aunt Ellen looked unhappy. She believed romance had reality, when really it was only a trap. But why should Nancy who had so much to profit from this marriage withdraw from the plans with such cold hostility?"

Her traveling cases were packed. Her traveling outfit was on a nanger. Hat, gloves, the new pocketbook, daintily outfitted, were on the bed.

An orchid shoulder bouquet was in the icebox. A big, beautiful one. But not bigger or more beautiful than the one Scott had sent on that other wedding day.

She wished Ronnie had sent something else—anything but orchids. But then he couldn't have known that orchids were going to make her miserable. Aunt Ellen had almost caught her splashing tears all over Ronnie's orchids.

Nancy would probably smile cynically when she pinned them on her shoulder.

It was 5 o'clock now. Just 5. The hours seemed leaden. Not even lighted fires, reckless, blazing all over the house and the prodigal waste of electricity were bringing a cheerful aspect.

She would feel differently, perhaps, if Nancy were friendly, if people were chattering all over the place, and if Ronnie were here.

He was so dear and considerate. When she was with him, some of her doubts fell away.

"Dana, dear, Miss Burton has come. Are you ready for the manicure?"

Aunt Ellen opened the door gently and put her gray head in. Then she closed the door behind her quickly. "Dana, you're crying!"

"It's a cold, Aunt Ellen."

"I guess I know tears when I see them," Aunt Ellen answered with surprising spirit. Her own tears fell on Dana's bright hair, as she took her niece in her arms.

"Dana, there's something I want to tell you. I—"

But her words were interrupted. Mrs. Cameron had opened the door. "Dana, here is Miss Burton."

Aunt Ellen had whisked a handkerchief from somewhere and dabbed Dana's cheeks quickly, and then her own.

"So this is the little lady who's getting married?" Miss Burton's eyes were fixed, admirably, on Dana. "Ready, dearie?"

"Yes, I'm ready," Dana answered listlessly.

Miss Burton was fussing busily with her paraphernalia, keeping up a constant stream of conversation that scarcely pricked Dana's abstraction.

"Sorry to be late," Miss Burton said, "but I had a hard customer. She wanted a deep red, and then when it was on, decided she wanted pale pink."

"I suppose you do have some trying people," Dana said.

Less than 20 miles away was his goal—Dana.

Many things had become clear to Scott on that long, desperate drive home. He had been a stubborn fool, putting pride before his love for his wife.

He had allowed her to walk out of his life weakly, without demanding an explanation. If she married Ronnie he would have only himself to blame. But she would not marry Ronnie!

He had glanced exultantly at the clock on the dashboard as he rounded a corner. Then the yellow globes of a car had loomed up in the darkness in front of him like the eyes of a huge wild animal.

In a split second, Scott had thought in a passion of revolt, "I'd have made it if that fool driver had stayed on his side of the road!"

# Local Residents Obtain Articles Stolen by Two Men Held in Missouri

Jacksonville residents whose homes were burglarized December 22, were rewarded for their journey to Kirksville, Mo., yesterday, with the recovery of several articles taken from them by two alleged thieves who are being held by the sheriff of Adair county, Missouri.

L. C. Strubinger, one of the victims of the thieves was surprised when he entered the court house corridor in Kirksville to see Alfred Schmidt, one of the suspects wearing his (Strubinger's) overcoat. Strubinger quickly informed the sheriff that it was his coat and an examination proved that it contained the label of a Jacksonville clothing store. The garment was quickly stripped from Schmidt's shoulders.

The Jacksonville delegation arrived in Kirksville shortly before noon after a 150 mile journey. In the party were Mr. and Mrs. Carl Hamilton, Mr. and Mrs. Walter Wessler and L. C. Strubinger, all victims of the thieves; Chief of Police Frank Kiloran, Patrolmen John Norris and Everett Mann and a representative of the Journal and Courier.

When the Jacksonville residents entered the court house they were met by Sheriff Charles A. Niesner, and Deputy Sheriff Arthur Floyd, who escorted them into a large room containing loot that has been gathered up by members of the sheriff's force and members of the Missouri Highway Patrol.

There were more than 1,000 different articles hanging on racks and lying on tables and the floor.

**Identifies Traveling Bag**  
Mr. Hamilton quickly identified a Gladstone traveling bag which had been taken from his home. Shortly afterward Mrs. Hamilton caught a glimpse of her muskrat fur coat hanging with a number of other coats on a rack. Mr. Hamilton also found a fountain pen and pencil set which had been taken from his home, but he did not know it was missing until he saw them on the table.

Mrs. Wessler was quick in discovering a set of silver which was stolen from under her Christmas tree. The set was intact, none of the pieces being missing. Mrs. Wessler also discovered a Business College ring which had been taken from her home. Mr. Wessler found his raincoat among the loot stored in the room.

Besides his overcoat, Mr. Strubinger got a line on Mrs. Strubinger's coat. One of the alleged thieves told the officers that the coat had been sent to Oklahoma, and it is believed that it will be recovered.

Mrs. Hamilton learned that her fur coat also had been on a brief journey. One of the alleged thieves is said to have sent the coat to a relative in Kansas City. The coat however was recovered and was turned over to Mrs. Hamilton. Mr. Strubinger was given his overcoat but the other articles are being held by the state's attorney of Adair county to be used as evidence against the suspects at their trial.

The officers told Mrs. Wessler that her silver service set had been recovered Wednesday afternoon at a farm house between Griggsville and New Salem. The set had been given to a relative of one of the suspects and was recovered by Deputy Sheriff Arthur Floyd and Patrolman V. C. Kelso of Macon, Mo., who made a trip to the Pike county farm with the sheriff from Pittsfield. In addition to the silverware the officers found five shotguns, a Corona typewriter, fourteen boxes of shells, one 12-inch 410 gauge Stevens pistol, two electric clocks, a travel clock in case, clothing, a 5-tube radio, a new Buick car radio, a razor outfit, several boxes of men's

# Judge Williams Lauds Efforts Of League Nations

Pittsfield Jurist Discusses World Affairs At D. A. R. Meet Thursday

Judge A. C. Williams of Pittsfield in a discussion of world affairs on Thursday afternoon at the meeting of the Rev. James Caldwell chapter D.A.R. lauded the efforts of the League of Nations and stated that it was his belief that the war with Ethiopia would soon be brought to a close.

A large audience including members of the bar, who were invited to hear Judge Williams, attended the meeting held at the Chapter House. Mrs. O. F. Buffe, regent, presided and graciously welcomed the guests.

Judge Williams in developing his subject of international relations said, "Every day, I marvel at the wonderful age in which we live. Each day is filled with matters of unusual importance, with the world calling for men and women who are equipped and are in earnest, who can fill responsible positions. Chemistry, science, invention have made rapid progress. Science of government and religion and social science have not kept pace.

"The world of today is in a state of nervous excitement. Unemployment is in the world. These people must be taken care of in economic security. This condition has been brought about by natural conditions. No political party, no government is responsible for it. It is the result of invention, of genius, electric and gasoline power, which has taken the place of manual labor.

"We would not do away with these, since they are a great blessing, but have changed our ways of living and thinking. A change in the world must take place and give way to the new.

"In the Western Hemisphere we are particularly fortunate, being free from war, except from minor uprisings in Venezuela. The Old World is in confusion. Italy, an intelligent nation is engaged in war with Ethiopia for aggression. From Italy's standpoint, the reason is, an overflowing population. The leaders at this seat of the old civilization feel the need of expansion.

## War and Reasons

"War is usually carried on for selfish reasons. What do we find in Japan, a nation desiring, as Italy to expand, and Russia not wishing territory for expansion desires to come nearer the tropical zone. China is unable to resist. At the time of the World War some were satisfied with the treaties but others were not. Never will peace come and war be forgotten. Until all men practice good will toward each other.

Illustrating his remarks with many word pictures of former civilizations and natural formations in nature, showing the age of the world, Judge Williams said, "Let this civilization be not discouraged but realize its duty and let us fill our place to the best of our ability to abolish war and to live in security. The World Court is composed of men who believe in justice. The League of Nations is proving itself a strong force and we should be a member of the League."

Preceding the address, a musical program was given by Miss Louise Deweese and Lowell Henry with Miss Alice Mathis, accompanist at the piano. The vocal solos were a delightful feature of the program.

It was announced by Miss Maria Fairbank that the Regents' Party would be held on Washington's birthday, February 22, at the Chapter House with the Regents as hostesses.

Following the meeting Miss Enid Hubbs assisted by Mrs. Herbert Capps, Mrs. M. S. Zachary, Mrs. Irene Black, Caldwell received in the dining room, where refreshments were served. Mrs. J. H. Hubbs and Mrs. Wm. Cleary presided at the tea table, which was attractively arranged in all of its appointments, with yellow and pink candles and a large center bouquet of pink roses, the gift of the Hoffmann Floral company.

Chairmen for the meeting were Mrs. George Drennan, chairman of the program, Mrs. Wm. Barr Brown, music chairman, Miss Enid Hubbs, hostess chairman.

# High Prices Paid At Corsa Auction

Percherons Sell For Average Of \$359 Per Head At White Hall

White Hall, Jan. 9.—(P)—The administrator's disposal sale of stock owned by the late W. F. Corsa was held today at the Gregory farm one mile south of White Hall. Forty head of Percheron horses were sold including ten stallions and thirty mares. The average price brought was \$359. The top price brought by a mare was \$710 paid by the Tom Corwin farm in Wellston, Ohio. The top stallion sold at \$440 to R. G. Bradford of West Jefferson, Ohio. Mrs. Victoria Dreyfus of Brewster, N. Y., bought two mares at prices near the top.

The list of buyers represented eight states including Ohio, Missouri, Iowa, Michigan, West Virginia, Connecticut, New York and Illinois. Among the notables at this largely attended sale was Ellis McFarland, of Chicago, secretary of the Percheron Horse Society of the United States.

The auctioneer was L. L. Seely of White Hall and Gene Knight was the clerk. Lunch was served by the Apple Creek Club.

The Jacksonville Chapter of American Business Clubs met Thursday evening at 6:30 o'clock at the Peacock Inn. The speaker was William P. Coolidge, Morgan County Farm Advisor, who spoke of the advantage of developed education in any line and mainly in agriculture.

In developing this thought Mr. Coolidge spoke of the advantage of the educational program brought to the individual through the Farm Bureau from state and federal sources. The work of the farm advisor or agricultural extension service county agent, Mr. Coolidge said, is in the capacity of an educational agent. He must be a graduate of a state university or a college of agriculture and must have five years experience on the farm or as an assistant farm advisor.

In the course of his remarks the speaker touched upon the AAA program and pointed out the basic principles for the formation of the act. During the World War five million acres of virgin land were put in productivity. After the war the loss of the foreign market and the increased productivity of the 5 million acres resulted in an over-production. In formulating the AAA the idea was to take this acreage out of use and at the same time build up the land in production so that the farmer would be able to make a profitable living on his land he operated.

During the business part of the meeting Hadley Sager was appointed chairman of a committee consisting of all the married men in the organization to take under advisement the possibilities of forming a Ladies' Auxiliary of the A. B. C. club. Paul Stewart was accepted into membership at this time.

Henry P. Chandler of Chicago will address the Morgan County League of Voters on "The Present Status of Civil Service in Illinois" this evening. Mr. Chandler will speak at a meeting in the Music Hall of MacMurray College at eight o'clock. A limited number of free guest tickets are available. Non-members of the League desiring to attend may obtain these from Dr. Grace Dewey.

This meeting is a part of a nationwide campaign which is being waged by the League of Women Voters to arouse public opinion on the need for better personnel standards in the selection of administrative officials in government.

The immediate project which the campaign committee is undertaking is the collection of pledge cards signed by citizens interested in the improvement of the merit system.
